Chapter 1 - If only...

2

1 - If only...

We could spend time together...
Things didn't turn out like this...
He didn't get in the way...
None of this happened...

But it did.
I am not your puppet.
I am not coming back to you.
I am only here to protect you.
Nothing more.
Don't talk to me.
Don't look at me.
As far as you know, I don't care.
You think I will stay.
If all you do is insult me.
This has nothing to do with your cousin.
This has nothing to do with my sister.
This is only between you and me.
Believe what you want.
Stay as far away from me as possible.
But I will protect you.
Don't try to trick me into coming out.
I am no longer blinded by your presence.
Send who you want after me.
They won't find me.
I will still follow my words.
"As long as it makes you happy"
But I know you aren't.
If you want me gone.
Then leave this place.
Leave it forever and never return.
You can't report me.
I haven't done anything to you.
But I will be watching...
