*This is something that I wrote a while back now. It's dark and some people don't like dark poems but I think I've got a talent for it so too bad if you don't like it! LOL! Hope you enjoy it!*

# 1 - Love Me in Death

## Love Me in Death

Dripping sorrows falling down,  
Like blood from one s tortured wrist.  
Dreams are fading all around,  
And yet I ask what is this?  
This thing that burns inside me,  
Tears at my very soul.  
And now that you and I are we,  
Will destroy us as a whole.  
The darkness creeping towards us,  
The reaper clad in black.  
To ride the devil s tour bus,  
There is no turning back.  
The scythe comes down upon my neck,  
The world explodes in red.  
But you must also make the trek,  
And soon now we ll both be dead.  
We ve been waiting for so long now,  
Been begging for release.  
I can t even remember how,  
To love so show me please.  
In death we ll be together,  
Never torn apart.  
We ll be a pair forever,  
I can finally mend my broken heart.
