# 1 - intro

This story is about my adopted pets which i call them my family so some are sister's and some are brothers. In this story they can talk and do alot of thing's. This chapter is the intro to all of them. oh and im in it too because im looking after them. They all live at my house in my big backyard. my backyard has a pone, forest, cave in it. and we do go on small avengers too. and i know this may seem a little weired to wright a story about my adoped pet's/family but i like it and if you don't then don't read it.

First up is

Sapphire - She is a people dog i got from sapphirestar7789. Sapphire the people dog was adandoned as a puppy and had to struggle just to make it in the world. That's why she has such a tomboyish attitude. She never did find out who her parents were. But the only memory she has of them is her name collar which say's "sapphire, my jewel" on it. When she was living on the street she was caught by the pound 3 time's but each time she manged to escape. sapphire then lived on the street on the outskirts of mauville city. she was later found by sapphirestar7789 and adopted by me alleycat17

name : sapphire  
type : people dog (base on may from pokemon the tv show)  
color : brown  
eye color : dark blue  
gender: female  
and she were's a drak blue collar.

second up is

Rosebud - She was born in a normal encloser with two other eggs, she was later put up for adoption and i soon got her, and later hatched from her egg. Vndcorperation the merewolf breeder person gave me a free tank that i will fill with water then put rosebud in it. Then after i got the tank ready vndcorperation gave me rosebud my neutral merewolf pup. And her father was a dark merewolf and her mother was a light merewolf. That is why she is a neutral merewolf pup.

name : rosebud  
type : neutral merewolf  
color : brown and redishbrown, a green leaf on her tail, and a bit of white on her legs  
eye colouer : black  
gender : female  
and she is part wolf and part mermaid.

the last one for now is

Sora - She is the queen of the last butterflies. she lived in a place called butterfly island which could be

found in the sky.All of them lived there until bad people came and killed most of them but the queen managed to get them off the island.then i came and found her hurt i went up to her and she ask me to take the last of the eggs.But i could not because i had too many adopted pets in my family to take anymore so i promised that i would find people who are kind to adopt them.so i took them and i adopted sora and healed her to now she lives with me and the other's.

name : sora

type : green butterfly

color : light purple,white and black body

gender : female

and she has two tails.

I will add more adopted pets later when i get more and please comment.and no bad comments.

## 2 - a new sister

It was a nice sunny day at home. I was walking home to show my sisters sora, sapphire their new sister. So I went to the backyard to sora's tree where she sleeps and I called for her.

alleycat17 - sora can you come here I have someone I want you to meet.

sora flies down from her tree where she sleeps and said

sora - hey sis, so who did you want me to meet?

I held up the fish tank and in it is

alleycat17 - meet rosebud the merewolf pup I just adopted her and know she is our new sister.

sora - ahh how cute it's nice to meet you. oh and welcome to the family.

rosebud - hi nice to meet you too. and thanks I'm going to love being in this family.

While we were talking I noticed something.

alleycat17 - hey where's sapphire?

sora - I don't know I haven't seen her all day.

rosebud - who's sapphire?

alleycat17 - sapphire is part of our family and your sister. she was also the 2nd to be adopted in to the family.

rosebud - oh

Then I quickly ran in to the house and looked everywhere but I could not find her anywhere. So I ran back outside.

sora - is she in the house?

alleycat17 - no she is not in the house.

sora - well where could sapphire be then?

alleycat17 - I just don't know where she went too.

There the end of chapter one. Man i wonder what happen to sapphire? Anyways i hope you guy's like it and no bad comment's only good ones.

### 3 - where's sapphire

sora - hey wait a minute didn't you tell me before that sapphire used to live on the street and every time she got caught by the pound she ran away from the pound.

alleycat17 - you're not thinking that she ran away from here. if she did then why she has a good home, a new family with sister's so why?

sora - i don't know why she did run away. but if she did then we have to go find her.

alleycat17 - you're right we have to go a look for her right now she could be hurt so sora you look for her in the sky, rosebud you stay here in case she come back.

sora - right.

rosebud - ok i'll stay here.

alleycat17 - good.

so sora flew up in the sky to look for her, rosebud stayed behind in case she came back, and i ran through the street's looking for sapphire.

***alleycat - (sapphire where are you, why did you run away from home and all of us?)***

i ran down street's and look in every corner but i did not find her anywhere.

back with sora

***sora - (oh where could she be, i haven't found her yet).***

sora flew high and low for her but could not find or see her anywhere.

and back with rosebud

***rosebud - (none no shine of her anywhere. even though i don't now what she look's like but i guess i'll know when i'll see her).***

back with me

i look every where but no sine of here anywhere,where could she be at.then just as i was running by a dark alley way i looked and saw something small and dark looking so i stoped runing a walked slowy in the dark alley i slowly walked up to it and saw it was sapphire.

alleycat17 - sapphire

she quickly trun around and looked at me.

alleycat17 - there you are we been looking for you all day long.why did you run away?

she just looked sad at me and then said

sapphire - i ran away because i didn't fit in with you all.

alleycat17 - what do you mean?

sapphire - you guys all get along so well an i didn't and i some time's get into trouble and they don't. so i thought you and the other's did not like me because of that.and im just not to liveing in a home.

alleycat17 - don't be so silly sapphire we don't care that you get in to trouble and you'll soon get along with every one and we still love you we could never hate you and you'll get used to liveing in a home with all of us.

sapphire - do you really mean it.

alleycat17 - of course i do.now promise me that you will never run away again and if you need to talk to anyone you have suster's to talk to now so remember that.

sapphire - ok.

alleycat17 - now let's go back home the other's a wondering where you are.and very worried about you.because i sent sora out in the sky looking for you so she is home by now.

sapphire - ok let's go home to see the other's.so they now im safe.

ok that is the end of this chapter 3. there i hope you all like it.and no bad comments only good one's.oh and the words in black is them talking in there mind's.next chapter is home at last.

## 4 - where home

sora - i really hope they come back soon its starting to getting get dark.

rosebud - oh no your right it is getting dark out side.what if she is afraid of the dark and she could be hurt,or may be alleycat17 couldn't find her or something worse could of happen to her.

poor rosebud started to get all worked up that she started to cry because she is only young.

sora - aww don't cry rosebud im sure sapphire is ok and she is a safe and sound with alleycat17.so don't cry and there's now need to get all work up like that so don't think of bad thoughts just think of the good ones ok.now come here so i can give you a big hug.

alleycat17 walked up to them and said...

alleycat17 - while she was in the dark alley way i was runing everywhere trying to find her.then i just happend to run a the dark alley way and i saw something there so i stoped runing and slowly walked in to the alley way and as i got close to it i saw it was none other then sapphire.

i quickly said sapphire and she jused looked at me all sad.and i asked her why did she run away and she said she thought we did not like her because she got in to trouble sometimes.so i just said that's not true and then sapphire said do you really mean it and i just said yes and that i wanted her to promise me that you will not run away agian.so sapphire said yes then we walked home and here we are now.

sora - oh sapphire i would never hate you for anything.so rememner that.

rosebud - sapphire where you seared?

sapphier - well maybe a little.

rosebud even thue i don't know you much i could never hate you even if i new you well.

sora - yeah sapphire we are now sisters and a family we could never hate you so remember that.

sapphire - ok i promise i will never forget that.

alleycat17 - ok now it's very late out now so let's go in and go to sleep.

The Next Day

It was 6:00 am in the morning. And Alleycat17 woke up and yean she then got up out of bed and quietly tiptoed over to the window and slowly opened the curtains and look at the very beautiful sunny day it was out. she quickly went to take a shower, dry her hair, get dressed and eat some breakfast. then she quietly opened the front door, walked out and quietly closed it behind her. and Alleycat17 walked down the street and out of sight some where miles away getting closer to where the big surprise was for the others.

Three Hours Later

Now it's 9:00 am in the morning and Sapphire was the first to get up. She then walked all the way down the stairs to make breakfast for everyone. A half hour later Sora and Rosebud got up and went down stairs and see's that Sapphire had just finished making a lot of pancakes for them to eat.

Sapphire : Morning sleepy heads. it's about time you two got up i was just about to call you.

Rosebud in her bowl : Good morning.

Sora : Yeah well where are you now.

Sapphire put the pancakes in front of Rosebud, Sora and herself and they all started to get some pancakes.

Rosebud : Mmm.... these taste good.

Sora : She's right they are yummy.

Sapphire : Thanks.

While they are eating Rosebud notices something or someone is not there at the table eating some pancakes with them.

Rosebud : Hey where's Alleycat17?

Sora : I don't now.

Sapphire : I remember she said she was going to get use our surprises this morning.

Sora : Now i remember.

Rosebud : Oh yeah.i can't wait to see what it is or who it is.

Sora : I now i can't wait to see too.

Sapphire : Well we'll find out soon when she come's home soon.

Rosebud : But i can't wait.

Sapphire : I now i can't wait eaiter but she will be home anytime now.

Sora : By the ways sapphire do you know what time she is comeing home?

Sapphire : Well im not sure but she should be home really soon.

Sora : I hope so.

Rosebud : Me too.im starting to miss her.

Sapphire : Don't worriy where here with you.

Sora : Yeah you have us bith with you.

Rosebud : Yeah your right.

So Rosebud getts up out of her fish bolw and hugs her two sisters.while she is huging them the front door opens up and their stands Alleycat17.She simle's and walks over to them.

Alleycat17 : Hey everybody!

Sapphire,Sora picks up Rosebud in the fish bolw and goes over to Alleycat17 and hugs her.

Rosebub : i really miss you so much.

Alleycat17 : Yeah i know you are just the baby of the family so i know you would miss me the most.

Sapphire : I really miss you too.

Sora : Same here.

Alleycat17 : I was only gone about three hours but i know that you do miss me and i miss you all too.

rosebud : So did you bring us our surprise?

Sora,Sapphire : Yeah did you?

alleycat17\*giggles and simles\* : Yes i did and they are right out side the door.

Sapphire : They?

Alleycat17 : Yes i told them to stand out side the door until i told them to come in.

*(Falshback)*

*5 mins ago*

*Alleycat17: Ok so you guys stay out side the door until i call you to came in ok?*

*The three of them said yes while Alleycat17 open the door and went in side.and they waited outside for her to call them all in.*

*(End Falshback)*

Alleycat17 \*called out\* Ok you can come in now.

The door open up and there came in a male grey like dog with wings with abit of light blue on him next to him was a female green and pruple bird,and on the other side of the male like grey dog was a female light pink wolf with and big magenta heart on the side.

Sora : Are they going to be part of the family?

Alleycat17 : Yup.

Rosebud,Sapphire : Yeipp.

Sapphire : We have two new sisters....

Rosebud : ....and our first new brother.

Alleycat17 : Yup and he will be the man of the house.

Sora,Rosebud,Sapphire : Hello?

Sapphire : Mmm Alley(A/N short for alleycat17) What are their names?

Alley : Opps im silly i forgot to tell you there names.well he is name is Max He's usually moody and depressed. He knows telekenesis, and he can control the power of dark forces. Not much is known about his past,making him all the more mysterious. Oh, and he's a KARATA.(A/N go to my gallery to see what they all look like).

Max : Sup.

Sapphire,Rosebud,Sora : Hey.

Alley : The green and purple famale bird is Holly she is a peacock type of bird and her mother is a purple peacock called Alena and her father was a green peacock called Ruffle. She has 2 baby twin sisters called Feathers and Blue Bells. She lived in a huge forest called Dream Forest with her old family until i adopted her.Even thu Holly is not with her mother, father and her two twin sisters she do still miss them but she do get to see them once in a while.(A/N go to my gallery to see her).

Holly : Hello.

Rosebud,Sora,Sapphire : Hi

Alley : And last female is Jenny the light pink wolf with a big magenta heart on her side.When she was a egg she was found in a ditch on the side of the rode with 5 others eggs that her family left behind because pochers were chasing them and had to leave them behind to keep them safe and they said they would come back latter to get it but their mother and father were killed.So her only brothers,and sisters lived in the desert sorranding Las Vagas.Where they lived for a few years and they soon were found and then i adopted her because her brothers and sister were adopted befor i could

adopted them all so they could all still stay a family. So poor Jenny is really sad because she is not with them. (A/N if you want to see her go to my gallery).

Jenny : Mmm Hey.

Sapphire, Sora, Rosebud : Hi . and welcome to your new home and welcome to the family  
Max, Holly, Jenny!!

So Rosebud in her bolw hugged Jenny, Sapphire hugged Max, Sora hugged Holly. And of course they hugged back.

Alley : I have a idea why don't we have a parity for you guys to welcome you to your new home and family.
