"Dreaming"

I'm afraid to tell you, I truly am
But I'll try, I'll do the best I can

I try to find you within the large crowd
I listen for your voice, but it's all just too loud

I finally found you, you look into my eyes
I knew right then right there, that I could just die

I open my mouth ready to tell you, you put
your finger over my lips, you then move your hands down
to my hips

You put your head next to mine
I knew right then that everything was fine

You gently bit me, right on my neck
I then awoke in the middle of the night with a cold sweat

I guess that's all it'll ever be
You and me
Forever Together.....but only in my Dreams
