"Hate"

Nothing is forever
Nothing will ever last

For we are just dust, that blow around
around in the wind

You think you know everything, you
think that your so smart

But deep down inside, you don't
even have a beating heart

I'm sick of being pushed around
When I'm lost, I'm never found

I'm sick of you and everything else
I'm sick of being told what to do

I'm sick of everything
And I fracking hate you!
