Sonic: Amy get off! Please?

Amy: But Sonic...one hug? PLEASE...just one!

Sonic: Amy I really have to go...so just let go!

Amy: Come on Sonic just one ity bity hug?

Sonic: fine...

Sonic hugs Amy and dashes off

While Amy was on her way home thinking that Sonic would be her boyfriend soon, Cream drops in

Cream: Hey Amy have you seen Cheese?

Amy: Umm let me think...No I haven't why?

Cream: Oh I think he just got lost again.

Amy: Hey lets go look for him. Its not like I have anything better to do since Sonic left.

Cream: Hey lets go pick up Tails as well!

At Tail's workshop he's busy fixing up his machines and inventing new things.

Cream: Tails!! Are you there?

Tails: Hey Cream, Hey Amy!

Amy: Hi, Tails u want to help me and Cream for a second?

Tails: Sure what can I do?

Cream: Oh well were just looking for Cheese...he got lost...*again*.

Tails: Ok ***chuckles*** lets go

Amy, Cream, and Tails were looking for Cheese in a dark ally way when...

Eggman: Well well , what do we have here?

Cream: Who...who's there?

Amy, Cream, and Tails look up into the sky to find Eggman.

Amy: Oh no it's Eggman! Tails go get Sonic!

Tails: Alright Amy.

Cream: Go away Eggman! Were just looking for Cheese.

Eggman: Haha, I actually came here to....

Amy: To what?!

Eggman: To do this!

A giant robotic arm comes out of Eggmans ship and grabs Amy

Amy: Let me go!!

Cream: Oh no! Tails! Sonic! Where are you guys!

2 - The Plan

Cream: Amy nooo! I have to go find Sonic!

Cream runs around town and finds Tails.

Cream: Tails! Amy got taken away by Eggman!

Tail: Oh no! And I still haven't found Sonic yet!

Cream: What will we do?

And as soon as they said that a blue flash came running by

Tails and Cream: SONIC!!!

Sonic stops and turns around

Tail: Amy...she...

Cream: Got taken by Eggman!

Sonic: What? ***sighs*** Amy how do you get yourself in so much trouble?

Cream: I'm sorry...

Sonic: Why?

Cream: Because I asked her to help me find Cheese...speaking of which I didn't find him yet...oh well he should be fine!

Tails: In any case we should go find the others.

Sonic: Yeah that's a good idea.

Sonic, Tails, and Cream go off to look for Knuckles, Shadow, Rouge, and the rest of the gang.

Sonic: We should probably go to Amy's place first to get Nya.

Tails: You think that's a good idea...I mean you know how Nya can get...

Cream: Well she is Amy's little sister...AHHH can we stop wasting time!

Shadow: What's the rush, I mean we've saved Amy like a million times before.

Rouge: Yeah and Eggman can never make any good robots, so saving Amy should be a piece of cake.

Knuckles: Can we just get going??

Sonic: Ok here's the plan... me, Tails, and Cream will go get Nya and head to Eggman's place, Shadow, Knuckles, and Rouge you guys can go to Eggman's, but don't attack and wait for us. So you guys got all that?

Everyone: Yeah

So while Shadow, Knuckles and Rouge went to Eggman's, Sonic, Tails, and Cream went back to Station Square and went to Amy's apartment.

Nya: Argh where is Amy...she's always coming home so late! If I didn't know better I bet she's with Sonic!

CRASH

Nya: SONIC! YOU BROKE DOWN THE DOOR YOU JERK!!

Sonic: We have no time to argue!

Tails: Amy got kidna....

Nya runs up to Tails and hugs him

Nya: Hi Tails!!

Tails: ***blushes***uhhhh hi....

Sonic: TAILS!

Tails: Huh...oh right, Amy got kidnapped!

Nya:...AGAIN?!? UHHH how can Amy get kidnapped sooo many time!

Nya keeps on complaining

Tails: I told you we shouldn't of gotten her!

Sonic: well it's to late now, just grab her and lets go.

Tails grabs Nya and heads out the door, Nya is still complaining, and Sonic is leading the way to Eggmans

3 - Arriving at Eggman's

Backat Eggman's base

Shadow: Argh whats taking Sonic so long??

Knuckles: Maybe we should just attack Eggman's robots to keep us busy?

Rouge: You heard Sonic, we don't move till he comes, pluse attacking the robotswould set off some alarm, and rescuing Amy would be evern harder. I say we justsit still for now.

Shadow and Knuckles mumble to themselves about being bored

Sonic: HEY GUYS!!

Knuckles: Hey its Sonic!

Shadow: About time they got here.

Rouge: ***yawns*** We can finally get going.

Tails lands the plane they were riding in

Sonic: Ok now that were here, we'll attack, but that's once we get inside. Wewant to try and sneak inside so we don't set off any traps that Eggman put.Also we'll have an advantage because we can sneak attack Eggman.

Shadow: You think we should bring those two? ***looks at Cream and Nya***

Tails: I think that It would be safer if they stayed here

Nya: Oh no, Don't worry about me, but maybe Cream should stay here!

Cream: ME? Maybe we should leave Nya here to keep watch or something!

Creamand Nya stare evilly at each other

Rouge:Ok you kiddies can stop fighting now...OR were going to leave both of you behind.

Sonic: Actually we'll leave them both here.

Cream: No I can't stay here...not with...*her* at least..

Nya: Tails... can I please go with you?

Tails: I'm sorry, Sonic says you can't go.

Sonic: We should hurry up and leave

Shadow: yeah we've wasted a lot of time

Knuckles: Finally we get some action around here

Rouge: See you kiddies later!

Every one leaves Nya and Cream alone to wait for them to come back

Cream: ...Hey Nya, Do you like Tails?

Nya: Ummm me? Hehe..why do you ask?

Cream: Oh just wondering because you seem to be getting close him

Nya: Why does it matter to you if I like him or not?

Cream: Well I like Tails....

Nya: YOU like tails?!?

Cream: HA! So you do like Tails, you know what this means right?

Nya: Right, now were enemies.

Cream and Nya stare in opposite direction waiting for Sonic and the rest of the gang

In Eggman's dungeon/jail/cell type place

Amy: Oh Sonic, where are you, your usually here by now ***sigh***

Eggman: Oh be quite, your Sonic is on his way, he's on the screen right now ***pointsto security monitor***

Amy: Ha your beat again Eggman!

Eggman: We'll see about that....

4 - Inside the Base

Sonic: Man are we lost!

Rouge: We've been walking around for hours.

Shadow: Even I'M getting tired!

Knuckles: Argh will we ever find Eggman???

Tails: This place is like a giant maze!

Shadow: Maybe we should try breaking the walls.

Sonic: I think that's our only choice.

Sonic and Shadow start breaking through walls

BEEP BEEP INTRUDER ALERT, ALL ROBOTS ATTACK

Rouge: Crap...we set off some stupid alarm.

Shadow: Oh come on how tough could they be?

Tails: We can take them!

Sonic: Watch out! Here they come!

After fighting for what seems like hours, Sonic and everyone proceed to look for Eggman

Sonic: Wow those robots actually took a lot out of me.

Shadow: Yeah same here.

Knuckles: Looks like Eggman finally upgraded his robots.

Rouge :Oook maybe this won't be easy as I thought it would be.

Sonic: We should probably stick to not breaking any more walls unless we want to go through that again.

Tails: We should hurry up and find Eggman.

Rouge: Yeah that would be a smart idea.

Back at Eggman's dungeon/jail/ cell type thing

Amy: Woohoo! Sonic beat your little Robots!

Eggman: Hehe that was just the beginning

Amy: Uh huh, you just saying that.

Eggman: Oh that reminds me! I have a little friend you might want to meet.

Amy: *YOU* have friends? Hah don't make me laugh!

Eggman clicks a button that brings forth another cage but it has Tikal in it

Amy: TIKAL!!

Eggman: HAHAHA

Amy: What did you do to her! You better not hurt her!

Eggman: Don't worry, she'll be leaving soon....hehe...

Amy: What do you mean "leaving soon"

Eggman: You'll see, you will see very soon...

Back to Sonic and Gang

Sonic: Uhh I think were lost...still.

Tails: Were never going to get out of here, are we?

Rouge: Tails don't you have some GPS locater or something useful?

Tails: A GPS! Why didn't I think of that!

Knuckles: Great we could of saved like 2 hours of walking.

Sonic: Wooohoo! Were almost to Eggman.

Tails: ***plays with his GPS for awhile***

Shadow: Come on Tails we don't have all day!!

Tails: There! See were here ***points to map*** and Eggmans here ***pointsto map again***

Sonic: So all we have to do it go left twice and then make a right and gostraight, got it!

In front of Eggman's dungeon/jail/ cell type thing

Sonic: were here!

Tails: Everyone ready?

Knuckles: Lets get going!

???: AHHHHHHHHHHHHHHHHHHHHHHHHHHHH!!!!!!!

Sonic: Who was that??

Shadow: It didn't sound like Amy.

Tails: Or Nya.

Rouge: Or Cream

Sonic: Were we hearing things?

Shadow: maybe...

Rouge: Well lets see, were all here, and it wasn't Amy, Cream, or Nya, so whoelse could it be? And I'm sure it wasn't Big ***chuckles***.

Knuckles:.....

Sonic: Knuckles you okay?

Knuckles: TIKAL!

5 - A life saved but a life lost

Sonic: What are you talking about Knuckles?

Knuckles: THAT WAS TIKAL!!

Tails: Are you sure?

Knuckles: Yeah...ohhh I'm going to kill Eggman if he hurt her!

*** Everyone rushes inside to find Eggman laughing his head off, Amy crying, and Tikal slowly dying***

Knuckles: EGGMAN YOU LITTLE...

Sonic: Knuckles cool it.

Amy: So...Sonic...Eggman ki...killed Tikal!

Eggman: Haha you better not attack or you precious girlfriend is next Sonic.

Sonic: Eggman...you have no idea what your in for

Knuckles: Sonic let me handle him!

Sonic: No you guys get Amy and get out of here.

Shadow: And I thought I was going to have some fun..

Rouge: This is not the time for sarcasm.

Rouge grabs Amy and breaks through the ceiling

Rouge: See you later Sonic!

Amy: Good luck Sonic! ***Blows an air kiss***

Tails: I know you can beat Eggman!

Knuckles: I don't want to leave but , you better beat Eggman for me!

Shadow: See you

Back at the surface of the base

Rouge: Cream, Nya were leaving!

Cream: Finally!

Nya: Hi tails! ***Clings on to Tails' arm***

Tails: Hey Nya.

Cream: Where Mr.Sonic?

Shadow: Oh hes fighting Eggman.

Knuckles: We'll come back after dropping Amy and you guys off.

Shadow,Knuckles, Rouge, Tails, Cream, and Nya fly back to Station Square

Back at Eggman's

Sonic: I've defeated all your robots Eggman, is that all you got?

Eggman: I've hardly started, pluse I'm not going to kill you, not now at least...

Sonic: Ha like you can kill me!

Eggman: Sonic, I would like you to meet your counterpart.

Sonic: Counterpart? You don't mean Shadow do you?

Eggman: No, he betrayed me, this counterpart is a machine created by me. Meet Sonic-E.

Sonic: Sonic-E? Wow how lame of a name could you give a robot?

Eggman: Hehe you will see the full extent of his power

Eggman pushes some buttons and Sonic-E grabs Sonic so he can't move

Sonic: Got to hand it to you Eggman, he's pretty tough.

Eggman: Say "Ahhhh"

Sonic: Ummm Eggman, are you a dentist all of a sudden?

Eggman: Just say "Ahh"

Sonic: Fine, Ahhh

Eggman throws a tiny capsule in Sonics mouth

Sonic: ***Cough Cough*** WHAT DID YOU MAKE ME EAT!?!?

Eggman: Oh nothing..

Sonic: I BET IT WAS POISON!!

Eggman: No it was not, besides killing you by poison wouldn't be fun!

Sonic: then what was it?

Eggman: Oh just an Immobilizer, Yourbody will go numb so you can't move.

Sonic: And what is the point of making me all numb.

Eggman: You will see Sonic. You will see soon enough.

Back at Station Square, In Amy's apartment.

Amy: Oh I wonder what's taking Sonic so long

Tail: He should be fine!

Nya: Yeah Sonic beat Eggman way to many times to count!

Knuckles: He better beat Eggman!

Rouge: Don't worry if he takes to long we'll go back and see what's up.

Amy: Yeah you guys are right! Sonic is just fine!

CRASH

Amy: What was that?!?

Shadow: It sounds like it came from out side you window.

Tails: Maybe its Sonic!

Everyone's looking outside Amy's window

Eggman: HAHA Sonic time for you to die!

Amy: NOOOOOOOOOO SONIC!

Eggman: MWHAHAHAHAHAAHHAHA!!!

Rouge: Why is Sonic just lying there?

Eggman: Hehe...he took a pill and now he can't move! Isn'tthis great? My LIFE long dream is finally coming true! Only one more thingwould make me happy! The death of the rest of you annoying animals. And this ismy partner comes in! I would love to introduce....Trent!

Shadow: Why does Trent remind me of a tree?

Trent: You don't want to piss me off, unless of course, you'retough enough.

Shadow: GRRRR...!!

While Trent and Shadow continue to argue, Amy sneaks overto Sonic without Eggman noticing her

Amy: So...Sonic...whatdid Eggman do to you?

Sonic: Don't worry, I'm not really hurt, I think Eggmangoing to be a little confused soon.

Sonic stands up and picks Amy up

Eggman: HOW...HOW CAN YOU MOVE?

Sonic: I don't know, I was able to move like a few hoursago

Eggman: ***slaps head*** What color pill did I giveyou??

Sonic: Uhhh, green I think, why?

Eggman: ***starts cursing really loudly*** AHFFF I GAVE YOU THE PROTOTYPE??I WAS SUPPOSED TO GIVE YOU THE RED PILL!!! NOOO MY DREAM HAS BEEN RUINED, BYYOU ***points at Sonic***

Sonic: Hey you were dumb enough to give the wrong pill inthe first place.

Eggman: Well it doesn't matter any more, TRENT! I order you to kill Sonic! Once that is done,you can do whatever you want to his friends.

Trent: Finally, I get to have some fun ***walks over toSonic***

Shadow: HEY COME BACK HERE! I'M NOT DONE WITH YOU YET!

Amy: Oh be quite!

Sonic puts Amy down and walks closer to Trent

Amy walks over to Cream and Maria

Cream: You think Sonic will beat him?

Maria: I think he will!

Amy: He always beats his enemies!

Tails: I hope he's going to be ok!

Shadow: He stole my kill....

Rouge: Stop complaining, if Sonic loses, then you can have him

Knuckles: Rouge! Don't say things like that!!

Sonic: You ready

Trent: Anytime

Trent starts running around Sonic so Trent looks like a blur

Sonic: You're pretty fast, but let's see if you're as fast as me!

Trent: Oh, I know I'm faster than you

Sonic runs down a highway and into a city, while Trent is close behind

Sonic: Not bad

Trent: Hehe....

Trent takes out his weapons and hits Sonic into the side of a wall

Sonic: Hey that was cheap!!

Trent: All is fair in love and war!

Sonic and Trent start speeding off, they run and run until they reach a wall and run straight up the wall and onto the rooftop of a skyscraper

Sonic: ***looks around*** 0.0, there's water right on the other side of us

Trent: So you're scared of water eh?

Sonic: I never said I was!!

Trent: Sureeee.....

Sonic gets mad and rushes right into Trent and curls up into a ball and hits Trent

Trent almost falls off the edge of the roof, but then he gets back up and hits Sonic right off the edge and in to a pool

Sonic: Ahhhhh ***splash***

Trent: Haha I see, so you can't swim, looks like I'm done here!

Everyone is happy to be following Trent and Sonic the whole time and Amy jumps into the pool to save Sonic

Sonic: ***gasps for air*** Thanks Amy ***cough*** you should leave this to me now!

Amy: Good luck!

Maria runs up and blocks Amy and Sonic from Trent

Trent: Get out of my way girl!

Maria: No, you've done enough! Now leave!

Trent: ***smirk on face*** So you think you're tough eh? ***hits Maria across face***

Maria falls down to the side

Maria: You're not very nice!

Amy: Maria are you okay?

Maria: Yeah I should be fine

Amy walks up to Trent

Amy: What you did wasn't very nice!!

Trent: You think I CARE?

Amy: Ohhh you're so inconsiderate!

Trent: Not listening

Trent pulls out a gun

Trent: I don't like using guns, but for you, I think I'll use one

Amy: No...you...you wouldn't...right?

Trent: Hehehe...

Amy just stood there with the look of fear in her eyes, time seemed to stop, Everything was becoming dark. Amy saw her life flash before her; she then realized that Sonic never liked her. So Amy closed her eyes and waited for the trigger to be pulled.
