# 1 - RebeccaTripleTails

~Rebecca~

Oh Rebecca! How I miss you so!

Why did you leave? Why did you have to go?

You was so funny, you was a sister to me,

You was my sweetest honey,

We was so close,

You always talked about Tails, his eyes, and cute button nose,

Now you're gone, I am sad everyday because we don't share a sharp bond,

I feel like it's my fault, that you decided to go,

To me my life and heart came to a sudden halt,

I blame myself, I get angry, and it's a fact,

I care about you so please, Rebecca,

Please come back.

## 2 - Shiloh

~Shiloh~

Shiloh, I am happy we are friends,

No one can replace you,

For our friendship will never end,

Your funny, you're in my heart,

I know we won't ever part,

We stick together, and we get along great,

In my soul, you're in the center,

Our friendship could never be better,

Will I replace you? Never!

Believe this, I think about you all the time,

Because you and I, are friends forever.

### **3 - Sweet Sonic Hedgehog**

**~Sweet~**

**Your really nice, when I'm feeling blue,**

**When there is no one else to turn to,**

**I turn to you,**

**I am happy to know I have someone there for me,**

**I am also there for you, as you can see,**

**When my life is horrible, my happiness is trapped in a bottle,**

**But someone as special as you can pull me out, you're like a role model,**

**Your thoughtful, and can always make someone laugh,**

**Sweet, you're the best friend a girl can ever have.**
