1 - Madien of Mystery

A young girl, done up with all sorts of rich silk. Precious rings plague her hands. Her long cape caught in the wind, it moves like silk in the breeze. She wears a crown of gold and gems on her head; it shines in the sun's rays. She looks like a charm or spell about her. Fair skin, green eyes, a kind look on her face. She shows no fear, hate or pain. She walks through the short wild plants. Her lips form to be a kind, small smile. With her arms out in the air. She starts to spin. Her cape flows through the air. The long locks of her red and gold hair fly through the air. A laugh comes from her open mouth. She starts to slow as the sky parts for the rain. She smiles her hands move up, as the rain pelts her soft face. Her eyes close as she smiles more, as the drops roll down her cheeks.
