## 1 - Why me?

A/N When I was doing Phantom I always got asked " Who would you choose? ". This was my answer.

"Make your choice", he demanded.

Christine looked from one man to the other and was hit with a realization.

"You know what , Erik" She said in a haughty tone. "I am so sick of this possessive, psycho, stalker thing. I don't like the whole 'I am in your thoughts, your in my bushes'. At first it was flattering now, it's just creepy."

" Then he dies," Erik snarled.

"Kill him!" She retorted, then to Raoul. "Don't look so shocked. You're an overbearing, oblivious jerk that used me as bait to catch him, all to feed your machismo."

She walked over to the organ and pulled the lever to open the gate. The two men stared as she stormed off.

"It's a wonder I'm still straight" she said to herself on the way out.

Raoul looked over at the Phantom,"Are you still going to kill me? "

A/N Review, but please don't take this story seriously.
