1 - Untitled

The war begins
its a very cold war
just to protect me princess Key
How is it that i get caught in this
am i a traitor?
Or do i just see this as a cold war
soldiers die
Just for protecting me
Why does he want to kill me?
How can this happen?
just a cold cold war..
in the very end of the cold war
i find myself laying on the ground
this very cold war
i found myself dead..
more then a cold war now...
