Dead or Alive? Chapter 1: The Laser Shoot

Author's Note: I do not own Sonic the Hedgehog or any of the characters.

Name: Talking

Name: YELLING!

(Author's comments)

???: Help me, Sonic!!

Sonic: Oh, no! It's Amy! I've got to save her!

Sonic went to Eggman's Lair, where was seen in Rail Canyon.

Sonic: Eggman! Let go of Amy, right now!

Amy: Sonic! You're here!

Eggman: No! I can't do that!

Sonic: Why not?

Eggman: Well, one, it'll ruin my reputation, two, I don't want to, and three...

Sonic: What?

Eggman: You'll die!! (That doesn't sound right)

Sonic: What?! What do you mean you're mine?

Eggman: You'll see.

Eggman got a laser beam and aims at Sonic.

Amy: Sonic!!

Eggman: This laser will shoot you and you'll may get killed by it! Ahahahaha! Am I good or what?

Sonic: Oh, you're going to shoot a laser at me? Oooo! I'm so scared! I'm gonna run away like a big baby!

Tries to run, but got stuck on the floor What the?

Eggman: You didn't know? It's fly paper! You can never go off even if you run as fast as you can!

Sonic: Oh, no. I'm doomed.

Amy: Sonic!!!

Eggman: Now, bye bye, Sonic the Hedgehog!

BOOM! It hitted Sonic direct hit!

Amy: NOOOOOOOO! You...can't...be dead...EGGMAN! YOU'LL PAY FOR THIS!!!

Amy got out of the trap from Eggman and hitted him with her Piko Piko Hammer. After that, she ran to Sonic. Since Eggman shootted the laser at Sonic, the flypaper was gone.

Amy: *sobbing* Sonic! Don't...die...please! For me...

Sonic: ...Amy...

Amy: Sonic! You're alive!

Sonic: Amy...I...love...you...

He got unconsious.

Amy: Nooooooo! SONIC!!!!!!

Meanwhile...

Amy was at Station Square Hospital, seeing if Sonic will be okay. Tails and Knuckles was their, too, to see if Sonic was okay. Then, the doctor came.

Doctor: Well, we have good news, and we've got bad news.

Amy: What's the good news?

Doctor: Well, the good news is that the operation was a sucess!

Tails: And what was the bad news?

Doctor: That Sonic will have a short chance of living. We've did everything we can, but that's all we can do.

Amy: Can we...see him?

Doctor: Of course! His room is Room 425.

Amy: Okay. I'll go see him right now.

In Room 425...

Amy slowly opened the door, and saw Sonic sleeping with those oxygen masks on his mouth.

Knuckles: Does he look alright?

Amy: He said that he'll have a short chance of living. I just hope that he'll be alright.

Then, Sonic slowly opens his eyes and saw Amy, Knuckles, and Tails.

Amy: Hi, Sonic! Are you alright?

He slowly nods his head yes.

Tails: Um, guys, I'll be seeing you guys later. I need to speak with somebody right now. Maybe later on, you'll get a surprise from me. See you guys later!

END OF CHAPTER 1

2 - It's Payback Time!

Chapter 2: It's Payback Time!

Eggman: Ugh! I can't believe Amy could get out of there! She may be a girl, but she could hit!

Suddenly, a fox-looking creature came in the headquarters. It was Tails!

Tails: Dr. Dumbman! What have you done to Sonic?

Eggman: It's Dr. Eggman, Fox boy! And I did nothing to Sonic!

Tails: Then why was he hurt? Huh?

Eggman: Maybe it was a car crash or something, or maybe he was drowning in the water, or maybe he was eating too much chili dogs!

Tails: Sonic can dodge car crashes, he never goes on water (unless he falls), and he may love chili dogs, but he doesn't eat a whole lot! Amy said that you've shot a laser at him! He's now in the hospital, in very bad condition! Now, it's payback time!

Eggman: You think you can stop me?

Tails: Yes! And you're under arrest for hurting Sonic! (What?)

Eggman: Oh, yeah? You and what army?

Tails: This army! *Snaps his fingers*

When he snaps his fingers, a bunch of people came. Knuckles, Rouge, Omega, Shadow, Cream, Big, Charmy Bee, Espio, Vector, and 3 Policemen! (Mostly from Sonic Heroes)

Policeman 1: You are under arrest for hurting Sonic the Hedgehog!

Tails: Hey, I said that!

Policeman 2: Now, you're going to ask a lot of questions in the slammer!

Policeman 3: *Handcuffs Eggman*

Eggman: Drat. You'll pay! You'll all pay Mwahahahahahaha!

Tails: Anybody wants to visit Sonic?

Everybody: YES!

A few hours later, they were at Station Square Hospital going to room 425.

Tails: Hi, Sonic! I've got your surprise!

Everybody that was with Tails was there!

Amy: Woah! How did you get all these people!

Tails: Just watch the news!

Charmy Bee: Yay! News time! News time! Hey, wait. I HATE THE NEWS UNLESS I'M IN IT!!!!

Everybody: ?_?

Espio: Just put the news on!

Welcome to the news, with your host today, Georgina Leonardo!

Georgina: Welcome to the news! Today in the news, Dr. Ivo Robotnik was arrested by hurting our hero, Sonic the Hedgehog! This morning, in his headquarters, Miles "Tails" Prower helped the policemen by tricking Dr. Ivo Robotnik. He also got a huge group to also help out! Their names are: Knuckles the Echidna, Rouge the Bat, Omega the Robot, Shadow the Hedgehog, Cream the Rabbit and her chao Cheese, Big the Cat, Vector the Crocodile, Espio the Chameleon, and Charmy Bee! Now, a word from our sponsors.

Eggman: You'll pay! You'll all pay! Mwahahahahaha!

Charmy Bee: Why did they say my name last?

Vector: Ah, shut up. At least you were in the news, right?

Espio: And how did Eggman got in the commercial?

Knuckles: That Egghead might have some issues I guess?

Suddenly, the Doctor came in.

Doctor: Okay, guys. Visiting time's over. Time to go home. I need to speak with Sonic privately.

Amy: Um, Doctor, can I please stay here with Sonic? I wanna make sure he's okay.

Doctor: Well, okay, but just for one night. You just need to be outside for a minute. I just need to tell Sonic something privately.

Amy: Okay.

3 - Wake up, Sonic!

Alive or Dead Chapter 3: Wake Up, Sonic!

Amy: *yawns* Good morning, Sonic.

No answer.

Amy: I said, good morning Sonic!

Still no answer.

Amy: SONIC, FOR THE LAST TIME, WAKE UP!

Nope. No answer.

Amy: If he didn't wake up, that means...

Amy hold his hand. It was cold.

Amy: No...

Sonic is dead.

Amy: NOOOOOOOOOOOOOO!!!!

Then, the doctor came since he heard Amy's cry.

Doctor: What happened, Amy?

Amy: *crying* It's...Sonic...he's...DEAD!

Doctor: Oh, no. This isn't right. I knew something happened like this tomorrow.

Amy: What will you do, doctor?

Doctor: I think there's nothing we can do. We did everything we can to make him stay alive, but Eggman's laser was full of power, it killed Sonic.

Amy: *crying* No...EGGMAN YOU'LL PAY FOR THIS!!!!!!

A week later, Amy was still crying from the death of Sonic. She was completely desperate. She threw everything in her room and hit stuff with her Piko-Piko Hammer. The only thing she won't do is to kill herself. She always stare at a picture of her tackling Sonic to the ground.

Tails: Amy, are you ready?

Amy: For what?

Tails: I've told you yesterday. Today's Sonic's funeral. He'll be happy if you came over. After all, you care for him a lot.

Amy: Oh, yeah. I almost forgot. I'll be down in a few minutes. Let me just finish this show I'm watching right now.

BREAKING NEWS

Georgina: We have breaking news about Sonic the Hedgehog. Since Ivo Robotnik shot that laser to Sonic, our hero is now dead, and Ivo Robotnik has escaped from prison. More of this will be on at 5 P.M.

An hour later, they were at Station Square Cemetery. Everybody was there. The people who help Tails to arrest Eggman was there, and everybody else that lives in Station Square was there, too. Amy was still crying since the day Sonic died.

Judge (what's the guy's name): We are here to say goodbye to our hero, Sonic the Hedgehog. Anybody wants to say a few words about him?

The few words, mean a lot of words.

Tails: Sonic was a good friend. He helps people, and saves the world from destruction.

Knuckles: We are not just rivals, we're now good friends.

Shadow: Ever since Dr. Eggman killed him, I felt so sorry for him. Even though Dr. Eggman helped me, I still don't trust him.

Espio: He was always in the newspaper. We first thought he was a bad guy, but he was kinda cool.

Charmy Bee: I have a song about him. It goes *Vector grabs him* Hey, I'm not done with the song I've wrote.

Vector: Ah, well. We don't wanna hear it anyways.

Charmy Bee: Put me down! PUT ME DOWN!

Amy: Sonic was a nice guy. He's smart, funny, and well, I love him. He saved me from Metal Sonic when I was little. I care for him. I always follow him wherever he goes so I know he's okay. Yeah, he may be a brat sometimes, but he's still sweet. I only wish that he can come back so I could say goodbye to him.
Starts to cry

Then, Sonic's coffin was glowing! It also opened. Something came out of the coffin. It was Sonic! No. It's not. It's Super Sonic!

Amy: Sonic! You're alive! I thought you were dead, but now, I have something to tell you first.

Sonic: Amy, I didn't get to give something to you.

Amy: What is it?

Sonic went nearer and nearer to Amy. The nearest he can get was a centimeter away from Amy's face. Then, a second later, both of their lips were touching! Was it, a kiss? It is! A very passionate kiss.

Charmy Bee: Yuck! Gross! I thought this was a funeral, not a wedding! Vector, Espio, let's get outta here! Vector? Espio? Hello! I'm talking to you two!

Vector: Isn't this romantic?

Espio: Yes. In a mushy way it is.

Sonic: I've always want to give that to you.

Amy: Sonic. Please! Don't leave me here! I was totally lonely when you died!

Sonic: Don't worry. I'll never ever leave you again.

Amy: *sobbing* Sonic, you're so sweet!

Suddenly there was a rumbling sound.

???: Am I invited to Sonic's funeral?

Who was that guy? What is it? We will know soon!

END OF CHAPTER 3

4 - Eggman Strikes Back

Chapter 4: Eggman Strikes Back

Amy: Dr. Eggman? I thought you were in prison! What happened? Oh. Never mind.

Eggman: I thought you knew. I escaped! That laser I shot gave Sonic didn't kill him! He was in a deep sleep for a week! It made him cold since it was the cold ray, and then he was Super Sonic! That's why I'm here.

Knuckles: You've got too much issues, man!

Eggman: Arrrgh! That's it! All of you are gonna pay for this!

He was in the Egg Emperor Suit. He grabbed Sonic when he was not looking. Then, he put him into a cage. The cage electrucuted them and made him pass out.

Eggman: Now, with Sonic out of my hands for good, I can CONQUER THE WORLD!

Amy: You are not gonna conquer the world, Dr. Eggman!

Eggman: Oh yeah? Then stop me!

Amy: I'll stop you. With a little help with some people.

(When she said some people, she meant all the people in the funeral)

Eggman: Uh, oh.

BOOM! SMASH! KICK! PUNCH! HOT DOG! (What the...Hot Dog?)

Eggman: NOOOOOOOOOOOO!!!!

Suddenly, 5 Police cars came and took Eggman again.

Police 1: That was quick. We caught you red handed!

Police 2: Now, since you've escaped prison, the security is double the times than last week!

Eggman: Ah, shoot. YOU'LL PAY FOR THIS PEOPLE!!

After that, Amy smash the cage into pieces with her Piko-Piko Hammer and got Sonic out.

Amy: Sonic, are you okay.

Sonic slowly opens his eyes.

Sonic: Yeah, Amy. I'm okay.

Amy: Oh, SONIC!

Amy hugged Sonic with all her strength. People watched the cute couple...With tears in their eyes (except Charmy Bee).

Charmy Bee: Yuck! Gross! How Nasty! I'm outta here! *He buzzed off*

THE END

(Yeah, guys, I know it's short. At least the story's over)
