Original song, “Sk8er Boi”

By Avril Lavinge.

I don't own Naruto or its characters!!

Italics: Song parts

He was a boy

She was a girl

Can I make it any more obvious?

Naruto sat lonely on the swing that hung off a tree, just staring at Sakura, who was training with Sasuke.

He was a jerk

She did ballet

What more can I say?

He closed his eyes and sighed, then just frowned.

He wanted her

She'd never tell secretly she wanted him as well

He was feeling sick watching Sakura blush at Sasuke. He felt queasy just thinking about Sakura being with him. Felt worse about her getting as close as hugging Sasuke!

He had no friends

But he stuck up his nose

He had a problem with her frilly clothes

His eyes jolted open to the sound of Sakura yelping, and then tripping over; after a dagger stabbed into the dirt, almost impaling her exposed toes. She lands on her backside.

He smirked and looked down at the pink-haired ninja.

“Keep balance,” he said, she looked up at him like a beaten dog. “If that happens again,” he said all cool, as usual, “quickly move your right leg backward, it will hold you up.” He looked at her one more time, turned around, and walked away slowly, not bothering to help her up. She looked down at the ground, feeling ashamed...

She was a ninja girl

He said see you later girl

He wasn't good enough for her

He had a handsome face

But his head was up in space

He needed to come back down to earth

A few years later...

“Naruto, listen to this!” She runs up to him, holding a cute, bubblegum-pink guitar with three cobalt blue tiger stripes covering the rim and the face of it. She played some rockin' tunes, leaving Naruto totally dazzled and making a small applause for her finish.

“I'm entering that competition,” she said, smiling with a confident grin, “Aren't you nervous,” Naruto asked, but of course not trying to discourage his friend, “That talent show will be on **live** TV?”

“It'll be fine!” She handed Naruto two tickets. “Share it with Sasuke; I'll appreciate it if you two come. The show's in a few hours so don't be late!”

A few years from now

He sits at home

Reading the scrolls, he's all alone.

He turns on TV

Guess who he sees

Ninja girl rockin' up MTV

He calls up his friend

He already knows

And he's got

Tickets to see her show

Sasuke thought he was dreaming.

“Her performance will start soon,” Naruto said to Sasuke on the phone, “I have some tickets, so we can watch her play.”

“OK, I'll be right over” He slowly hung up the phone in complete amazement, “...Sakura? ...Her?”

He tags along

Stands in the crowd

Looks up at the girl that he turned down

She was a ninja girl

He said see you later girl

He wasn't good enough for her

Now she's a super star

Slamming on her guitar

Does your handsome face see what she's worth?

I don't believe I turned her down...

Sasuke thought.

She was a ninja girl

He said see you later girl

He wasn't good enough for her

Now she's a super star

Slamming on her guitar

Does your handsome face see what she's worth?

The show was over. He didn't see Naruto anywhere.

Where is that knucklehead, thought Sasuke, I guess I'll see Sakura backstage. But he saw something he thought he'd never see. Sakura had her head rested on Naruto shoulder, smiling. Naruto was holding her hand.

Sorry boy, but you missed out

Well tough luck this girl's mine now

We are more than just good friends

This is how the story ends.

He scowled at Naruto. He clenched his fists and grinded his teeth, nothing but rage surrounded him.

Too bad that you couldn't see,

See how great this girl could be

There is more that meets the eye

I see the soul that is inside

His eyes moistened. He restrained himself from puncturing Naruto with a ninja-star he kept up his sleeve. He just walked away. Crying.

Losing a love he lost the chance to have.

I'm just a boy

And she's just a girl

Can I make it any more obvious?

We are in love

Haven't you heard?

How we rock each others world

I'm with the ninja girl

I said see you later girl

I'll be back stage after the show

I'll be at the studio

Singing the song we wrote

About a boy you used to know

I'm with the skater boy

I said see you later boy

I'll be backstage after the show

I'll be at the studio

Singing the song we wrote

About a boy you used to know...
