# 1 - Prolgue

## Prolgue

See here s the thing I am Princes Aurora from the kingdom of Guinevere. But the thing is that I don t want to be royal , and I don t want to be queen. I rather lie in the grass looking up in the clouds at all Gods many creations then have to go to stupid balls and dance with selfish men. I rather wear loose fitting dresses than tight fitting dresses that you can scarcely breath in. I want to be FREE, not stuck in a palace! So I decided one night after rolling the memories over in my head that I would leave, run away , get away from this horrid place. So I packed up my bags with food, extra clothes, things to do, a blanket, and a pillow. I got changed into some comforting clothes and headed out of the castle.
