a poem i had to write for my creative writing class. the first stanza is from a chinese poem. um... i hate writing poetry... so i might put up some short stories i write for that class too, since they are more fun to write.

Chapter 1 - Regret

1 - Regret

word gets away-

four fast horses

can't catch it.

these thoughts form

on my lips,

push forth

into the air.

hands grasp

at them

but like eels they

slither away.

expressions of

anger and

fear and

longing

tend to linger

in my mouth-

but sometimes

I lose my grip.

and upon their escape,

these words

run rampant

throughout town.

it's just another

slip of the tongue.

but sometimes slips

can be fatal.
