once upon a time there were three piglets xander, buffy and willow.

Buffy: i am not fat! change that this instand!

storyteller: oke oke cheese, calm down.

Once upon a time there were three teenagers Xander, buffy and willow who moved out of the house to live on their own. They each constructed their own house.

Willow made her house out of straw, because she was a wicca and wanted to be close to nature. Xander made his house out of wood because he was good at building. Buffy let her house be built out of stone..so she wouldn't break a nail.

A wolf was watching the three friends wanting to eat them..

willow: hey you give wolves a bad name that way!

Xander: modernise it, a wolf is lame.

storyteller: *sigh* alright.

But there was evil in the air. Buffy's annoying boyfriend Riley who had already had a restraining order against him wanted to find Buffy. He went to Willow's house to ask where Buffy was. He knocked on the door "willow, willow can I come in? I just want to see where Buffy is" But Willow knew Buffy didn't want to see Riley so she said "no no no, not a hair on my head that thinks about that"

Riley got angry "then I huff and I..i...just a minute" Riley picks up the script and searched for his line he smiles when he finds his line he smiles and puts it away. He stands before the door "then I huff and I puff and I will blow your house down!" he took a deep breath and blows at Willow's house it still stands. Riley frowns and thinks then he gets an idea. He pulls a lighter from his pocket and starts to put the straw on fire.

Smelling the smoke Willow fled out through the back door and ran to Xander's house "Xander let me in". Xander opened the door and Willow scurried in. Just when he wants to ask what was wrong he sees Riley coming to his house he quickly locked his door and Willow quickly did a protection spell.

Riley knocked on Xander's door "Xander, Xander can I come in? I just want to find Buffy" also Xander knew Buffy didn't want to see Riley so he said "no no no, not a hair on my head that thinks about that". Again Riley got angry "then I huff and I puff and I blow your house down" he blows at Xander's house but it remains standing, he then tried the fire trick it didn't work because of Willow's protection spell. He thought for a minute and got an idea he ran off.

Xander looked through his window and suddenly grabbed Willow's hand pulling her out the back door just in time before Riley bulldozed the house down. They ran to Buffy's house and knocked on the door. Buffy opened the door in a half open bathrobe and a facial mask on her face "what the.." she quickly lets her friends in when she sees Riley coming.

riley looked at teh stone house out of breath. he looks to the story teller "i am not gonna try to blow that down, i quit!"he stomped of angerly. and buffy and her friends lived happily ever after in Buffy's stone house. for a rental payed of 50 every month.

The end.
