I found out yesterday that on Saturday a friend of my friend committed suicide.

. . . I hate to see her so sad . . . She's usually so happy and cheerful.

Chapter 1 - Never to Say

2

1 - Never to Say

*Down the hall
The procession goes
Outside, the flowers wilt
Deep sadness in the eyes of all*

*He left
Without a word
He left*

*Into the back of the hurse
The coffin slid
The back door closes*

*The engine ignites
Down the street
It goes
The town falls silent
As it passes*

*He left
Without a word
He left*

*They found him in his closet
Alone
He hung himself
He left us all alone*

*Without a word
To anyone
He left*

*The cemetary calls
They lower him
Into the earth
Six feet under*

*The black coffin
It gleams in the sunlight
Everything seems so wrong*

Down the hall

*Down the street
Into the cemetery
Into the earth*

*He lies
Forever more
Never to say
I'm sorry*
