Chapter 1 - bloody hand

2

1 - bloody hand

and with one simple kiss

you fell to your knees

i am what i carry

and you've caught my disease

bleeding from my mouth

writing i love you on the walls

i bleed without dieing

but you're the one that falls

tears would never save us

authority never cared

we're sick and vile and broken

we are our own despaired

we love you cause you're beatiful

we love you even when

you stomp upon our little hearts

and fill our minds with dread

give us your sickness, my lord

give us the right to stand

without being beaten down again

give us a bloody hand
