Chapter 1 - Her Reason

1 - Her Reason

A girl who was well known
There she was just sitting alone
No one there to help her
People wonder why
The reason is only this....

She sits,
Waiting for someone to come.
She cries,
Hoping that someone understands.
She waits,
Until she's been found.

A boy noticed this
There were complete strangers
He just wanted to help
But there no use
She is gone....

She runs
Far away from reality
She cries
Knowing that she's all alone
She falls
Into the darkness

She looks and sees a light
She hears the words
"Take my hand."
So she does and feels alright
She feels alright

She smiles
Knowing that everything is fine
She cries
Loving the boy she met
She's happy
Now that she is found
