# 1 - We Should Just Be Friends

I would like things to work out  
everything to be ok  
but i'm so confused  
I don't know what to say  
I might not care about you  
the way you do about me  
I care about you as a friend  
but that's all I think we should be  
suddenly letting go  
of everything we had  
I know it will be hard  
and you'll be very sad  
but we'll be friends forever  
trust me I can see  
even if that's all  
we will ever be.
