# 1 - disires lead to death

Desires lead to death

So I lie hear waiting,  
wanting your warmth,  
needing your touch,  
feelings to deep to express.

could you ever understand?  
the pain you left behind?  
the hurt you caused to a broken heart?  
do you even know?

Should i just end this now?  
no more tears fallen  
no more blood drawn  
no more wants or needs

Im so confused  
what should i do?  
i can't go on  
don't wanna live on

And now the lifeless body  
Lies frozen on the floor  
And all the wants  
And all the needs  
Are wanted and needed no more
