I'm just trying to invent 2 characters/personalities to write about for school stories, ect.

Provided by Fanart Central.

Chapter 0 - Character Conception

0 - Character Conception

Character one-

The funny guy. Probably going to be American. Haven't thought of a name yet. No occupation (as of yet). Just really immature and out-going. Very fun to be around for the most part. He'll probably be a lot like me. No appearance/concept art yet.

Character two-

The straight man (AKA, non-funny/serious one that completes the funny guy). Probably going to be British (because British people rule!). Haven't thought of a name yet. Mostly serious. Gentle with people he cares about. With people he hates they shall suffer dearly. He can also be emo at times. No appearance/concept art yet.
