I'm thinking of entering this into a contest I know it's bad and it doesn't rhyme all to well but I've never written poetry a day in my life but please be honest and tell me what you think.

1 - Poem

She was a lovely young lady,
Beautiful in every way,
Her parents were strict,
Never seeing her astray,
But she met the wrong guy,
All he thought was what to buy,
With all her money, his 'love' was a lie,
When he asked for her hand,
She could not deny,
But that desicion lead her to become our own Corpse Bride.
