Chapter 1 - My Sonnet

2

1 - My Sonnet

On a warm summer night the moon shines so bright

It somehow reminds me so

It will always bring my heart to delight

All the time I truly and deeply I wanted to know

If you love me as much as I love you

My love for you can be put into good use

The love in my heart glows a bright bright blue

But if you don't who am I to accuse

For his Dark Brown eyes remind me of him

For as of to whist my Casanova

To help me conquer my everyday whim

To think that my like is like a Soap Opera

My life could become a shade of teal

To wonder about what you think and feel
