# 1 - All Day

## All Week

Every morning I wake up

And I get on the bus to school

Then I lookk around

And I seee him

Then I feel my heart breaking

My heart is breaking right in front of me

And there is nothing I can do about it

All I can do is hope that I don't fall to pieces

Every time I see him my heart breaks

And I hold my breath

So I can hold this feeling in

I don't want to lose it

Every day my heart aches

And it will never go away

I only wish that I could tell him

But instead

I just sit there and let my heart break
