1 - The Journey To Hogwarts

Felicity ran through the barrier and found herself on the platform. She had short light brown hair and hazel eyes.

“Hey Lily, had a nice summer?”, she called as she rushed towards her.

“Yeah great, you?”, Lily puffed.

Lily was a fiery-Red headed girl with emerald green eyes

“Great too?”, Felicity smiled.

Felicity looked on and saw a sandy colored hair, boy with silver glasses: Remus Lupin, he was surrounded by the other three Mauderers: A tall black haired boy named James Potter. Another tall, black longhaired boy named Sirius Black, and a small, mousy haired boy named Peter Pettiview. They were all crowded round each other with many girls also crowded round them. Suddenly Remus came out of the crowd and strode towards Lily and Felicity.

“Hello Lily, hello, Felicity had a nice summer,?” he asked.

“Hi Remus, yes thanks?”, Lily replied.

But Felicity blushed, and shyly smiled and said:

“Um hi Remus um yeah I did have and nice um summer err you?”

“Yes, I did. Thank you Felicity. Well I best get back to them lot, good-bye?”, Remus smiled and strode back to the crowd.

On the train, Lily and Felicity sat in a compartment with their friends, Diana a long black haired and brown eyed girl, Mia a short blonde haired blue eyed girl, Celeste a very long dark brown haired green-eyed girl who were all in Gryfindor, and a long raven black haired Asian Ravenclaw girl who’s name was Lia.

“Hi guys?” Felicity and Lily chanted.

“Hi?” said Mia.

“Hi?” said Diana.

“Hi?” said Celeste.

“Oh Hello?” said Lia.

“So as I was saying it’s the N.E.W.Ts this year and I’m losing my head about it?” continued Celeste.

“Try not to think about it too much,?” replied Lily thumping down on a seat.

As the girls chatted on, Felicity sat in a window seat and dreamed away: Her thoughts on Remus. How she loved that sandy colored hair and his kind nature. She actually loved him.

“Hey your quiet, what’s up?” asked Lily.

“Oh err what oh noting, I’m just tired that’s all?” Felicity replied quietly.

The train got nearer to Hogwarts, and they had change into their robes. The train slowed and the students got of at Hogsmeade as they set of to Hogwarts in the September sunshine.

2 - A Stroke Of Luck

They had sat down at the Gryfindor table and the new first years got sorted into the Hogwarts houses. Felicity and the others were now in their seventh year and the new Head Boy and Girl were being announced.

“The new head boy this year, will be James Potter.” Dumbledore announced.

Every one clapped and cheered loudly. All the Slytherns hissed.

“And,” Dumbledore continued. “Our new head girl this year, is Lily Evans”

There was a good round of applause, again the Slythern house hissed. Lily blushed.

“Well, I will hold you no longer, let the feast begin” Dumbledore ordered.

Everyone had finished eating, and Remus walked up to Felicity.

“Hi, I was wondering if you like to walk with me to the common room with me?” he asked.

Sirius, James, Peter and Felicity's friends stared at him behind his back as Felicity stumbled.

“Umm, Okay” she finally got through.

Felicity and Remus walked side by side along the corridors. They were silent until Remus finally spoke.

“It’s nice to be back isn’t it?” He said.

“Yeah, it is” Felicity said quietly.

“Um Felicity?” Remus asked.

“Yeah?” Felicity replied.

“Er, I really like you know?” he said quietly.

“Me too” Felicity blushed.

It was quiet and all the shadows were misty in the moonlight. Remus took her by an arm and kissed her deeply. He let go and started to stroke her hair. Felicity stared at him lovingly.

“I’ll see you tomorrow” he said when they arrived at the portrait of the fat lady.

“Falcon Beak” Announced Remus and they climbed in the portrait hole into the common room.

“Bye” Felicity said and climbed to her dormitory.

“So what was all that about?” Sirius asked, in the boys' dormitory.

“Nothing” Remus muttered as he climbed into bed.

“But you, and Felicity walking together?” James said as he had joined into the conversation.

“Leave it!” Remus spat.

3 - Eternal Means Forever

Felicity awoke the next morning. It was only dawn, and the sun was rising slowly. Felicity crept out of bed got washed, dressed into her school robes, and went to the common room.

No one was there so she went to a door that was always locked and never could be opened and whispered:

'Eternity'

She walked through and looked around. It was the size of a child's bedroom although it had no beds. It had a fire, a desk, a bookcase and a settee and armchair. She walked up to the window and sat on the ledge, she looked out to the ledge and sat for half an hour and day-dreamed. Then she decided to leave.

She sat in an armchair and stared into the fire, the flames like fire fairies dancing in the sun. She heard a creak on the boys' dormitory stairs. It was Remus.

"Oh, hello Felicity" Remus said.

"Hi Remus er, sleep well" Felicity asked.

"Yeah I did, you" Remus asked.

"Yes" Felicity answered.

"Er, about last night" Remus began.

"It's okay" Felicity murmured.

He stared at her for a moment, then he returned to his dormitory silently.

It was the first lesson of the year it was Charms with the Gryfindors and Ravenclaws. They were practicing love charms. Weirdly Felicity ended up being partnered with Remus. He was charming her into a deep trance of love, Lily was doing the same with James and Sirius had ending up snogging a blonde haired Ravenclaw. Yet Peter was still having trouble charming a Gryfindor.

After Charms they had Care of Magical Creatures, and Potions. During lunch Remus sat by Felicity and talked about their Potions homework. She looked on and saw Narcissa Black, Lucius Malfoy and Severus Snape looking up at her then looking down and then a whispering quickly. Felicity felt nervous.

In the Common room every one had gone up to bed and Felicity had just finished her Potions essay. She rolled up the parchment and stuffed it in her bag. Remus was sitting near her reading a book.

"You seem quiet" Felicity murmured.

"Yeah" Remus replied.

"I saw the Slytherns looking at me, at lunch, I'm worried" Felicity Said worryingly.

Remus stood up and walked over to her sat on the arm of the chair and hugged her tightly.

"Don't worry i'm sure it's nothing" he hushed.

Felicity held on to him and stared into the fire, 'Am I safe?' She thought.

5 - Going Under

Felicity, Lily, Celeste, Mia and Diana were sitting on the green, grassy banks in the grounds, by the lake, chatting about a new copy of Witch Weekly they were reading. The Mauderers were over by the doors laughing loudly around a crowd of admirers. The cold autumn air was settling in so, they decided to go back to the common. Felicity stayed back and packed her bag. Snape, Malfoy and Nacrissa walked over to her.

“ Hiiii Felicity” Nacrissa crowed.

“ Oh, hi Nacrissa” Felicity stuttered. “ I’ll just be going now..”

“ Oh cut the crap!” Malfoy sneered. “Accio wand!”

“NO!!” Felicity screamed.

“Wiguardium Leviosa!” Snape Shouted.

Felicity flew up and Snape steered her towards the lake and drove her inwards.

“N..”

“Silenco” Malfoy muttered.

Felicity stopped dead. Then Snape let the charm go and Felicity plunged into the icy water. Remus suddenly noticed all the commotion ran to the lake to try and save Felicity.

“Floatio!” He called.

A brown board appeared out of nowhere and Felicity clambered on to it. Remus gave a sigh of relief. But the danger was not over yet. Felicity felt really drowsy and fainted. She slipped below and sank into the icy depths of the lonely lake.

“ Felicity, no!” Remus cried as he waded into to water and dived below.

Felicity sank deeper and deeper. Churning into a chilly blue, she slipped away from life. Remus swam frantically towards her limp body, he grabbed her and dragged her to the surface. By now a crowd had emerged and Remus drew in the cool air, pulling Felicity ashore, she was still silent and blue. Student screamed. Remus leaned over her and began C.P.R. He tried and tried again hoping his breath of life would reach her. They had almost lost hope as he gave his last breath, but she stirred coughing up cold water and gasping for air she looked up at the circling crowd, then at Remus she looked at the sky and slowly slipped away and blacked out.
