**Chapter 1 - Untitled**

# 1 - Untitled

How can we be lovers if we can't ever be friends.

Our love has been going through turns and bends.

Tell me the truth do you love me or not?

Are you just gonna leave my heart here to rot?

Why would you do something like this?

Did it have to do with the kiss?

Don't be ashamed, it wasn't that bad.

Don't tell me it was the first one you had.

Why did you lie to me?

Leave me alone and let me be

I don't think I can look at your face ever again'

It would remind me of the first time our friendship began

So good-bye now

Until we meet again
