1 - Nikkys Story

Hello my name is Nikki I go to duel academy with my little brother who lives on earth with my mortal family because he was obviously born here with my mortal family I know it seems complicated but I don't remember much about my childhood anyway my little brother he is in Slifer red and I'm in Obelisk blue of course I'm madly in love with Chazz Princeton though he doesn't know it yet until later on my little brother can't stand Chazz he thinks he is a pathetic jerk and that I can do way better but what do little brothers know I can't stand Alexis due to the fact Chazz is in love with her especially since I've known Chazz since I was young I was not born like any normal child I was sent here to earth by my father the prince of darkness which makes me part demon I have never met my mother at all anyway I was sent here to earth and I first met Chazz hard to believe he was the only one who accepted me even though he knew I was part demon and had done some pretty bad things then I meet my other friends Uriko and Kuzai and their boyfriends Bakura and Marik and all my other friends when I go to Duel academy but it seems things only get worse from there my father and older brother come back and plan to attack all the people I care about if I don't complete my destiny and help them wipe out humanity and plunge the world into darkness while being possessed by my demon form so when I am forced to kill my friends and Chazz I leave duel academy before anything else can go wrong but like it can get any worse from there
