Hidden Pain

I was weak, I was sad,
Giving you the power that could have meant my death.

Being confused,lost and in a shock
Gave you the chance to break through my lock.

Searched for someone to listen, to care
Made you realise, that my knowledge wasn't there.

When I was on the weakest point of my own,
You made me fell in your trap, I should have known.

Giving up my Friends, my own will, everything I had,
Being far away from the world I ever met.

You needed me just for one single thing,
But you made me act, like you were my king.

It would have been the best for you if I would have died,
So nobody would ever found out, that you had lied.

I still wonder, why did you do this?
Was it funny to act like I was more then just a victim on your list?

Knowing that I made a big mistake,
I'll be watching this blood for now, The blood, in the lake
