# 1 - Hard life of the Fat Man

The hard life of the fat man

Disclamer: I don t own naruto or chouji OR ANY THING THAT HAS TO DO WITH IT!!!!

When he saw them kissed he dropped the flowers he was holding and ran, ran as far as he could to get away,He had never been so mad in his life

Well I m getting a head of my self lets start at the benging

Chouji was muching on his chips thinking about what he was going to have for dinner when Ino came walking by with shikamura right next to her. He thought nothing of it and waved at him and ino. Both waved back witch was odd because ino never paid much attencion to him. That must mean shes in a good mood today Chouji thought. As they walked by He couldn t help notice that Shikamura had his arm around ino.He got very jelious of that because shikamura new he had feelings for ino. But he told him self No big deal he thought maybe hes to lazy to keep his hand up

Later that day Chouji was on his roof looking at the clouds(like he always did after a good meal) instead of thinking about what he was going to have for breakfast he was thinking about Ino. He kept thinking about her hair,her eyes, and that nice simle she gives him (when shes in a good mood.) Even when he went ot bed he couldn t stop thinking about her.Before he fell asleep he made up his mind He was going to ask ino out!

The next day he went to inos flower shop hoping that she be there but she wasn t. Her mother told him that she was taking a break to train. So he bought a dozen rose for her and then went to the traing feild to look for her. That s when he saw it.

He saw shikamura and Ino kissing!

Well like I said before chouji ran and ran as far as he could get away.

Now ino had seen Chouji out of the conner of her eye and she felt really bad. Because shikamura had told her that Chouji had a cursh on her.

Chouji had never been so mad in his life. He was so mad he didn't come home until supper because he was so angry he would hit the first person that got near him(that s happened to me)

Chouji couldn't get to sleep that night he kept thinking about those 2 kissing.

The next morning Ino and Shikamura had come to see him

As soon as he walked out of the door and saw them He couldn't help but Yell!

HOW COULD YOU SHIKAMURA HUH HOW COULD YOU!

Ino then said Were sorry Chouji really

Chouji then yelled. SORRY SORRY! SHIKAMAURA NEW THAT I HAD A CURSH ON YOU!!!!!!!

Ino said Ya&he told me&

Chouji lost it and said You little dog He smaked her hard

Shikamura got her as she fell.

Chouji looked at his hands and ran.

Chouji ran and ran until he got to the forest.

Then he started to cry. Because with his own hands&he had not olnly hurt the girl that he loved&but also a friend. Chouji didn't know if he ever wanted to show his face again..

After no meals with chouji his parents got worried. He never missed a meal ever! Choujis parents called the Anub to find him. But the anub were 2 busy to look for him&so they sent the only avebilbe people..Shikmaura and Ino
