I'm reeeeeeeally bored, so I'm gonna write down the lyrics (and possibly the translations if I have them) of my favourite anime songs! Fear them.

(Translation ^)

It's the end of a century after a hundred years
I was told to cry yet I laughed

It's the end of a century after a long time
I'll dash out to a broad world

Things that I was starting to understand when I was a child
I grew up and I still don't understand them

I'm not remarkable
I'm not even praiseworthy
What I understand is the pounding in my chest
It's not even the answer; it's not even true
What I believe in is the pounding in my chest
Only the pounding in my chest

I don't know if it's cool
But I had an irrepressible dream
Rather than pitching a plan and patiently waiting
I'll run into it still as a child

I'm not remarkable
I'm not even praiseworthy
What I understand is the pounding in my chest
It's not even the answer; it's not even true
What I believe in is the pounding in my chest
Only the pounding in my chest...

2 - Mayonaka no Door (PPG Z)

(Translation ^^)

Secretly I open the door

As the night wind blows, I slip into my shoes

My heart is beating a bit hard
Like adults, it's just me and him

Let's go!

Blueberry, blackberry, raspberry, strawberry
Blueberry, blackberry, raspberry, strawberry

Merry-merry-go-round, funky funny playground
Merry-merry-go-round, funky funny playground

The moonlight shines on a secret
A world still completely unknown

What awaits me up ahead?

Shining star
Adorn me so that I am pretty
Make me fall more in love

I want to be like Cinderella in the night

Oh please
Oh please

Cast your spell
Don't let go, let's just keep holding our hands like this

Oh please
Oh please

Cast your spell...

3 - Kibou no Kakeru (PPG Z)

(From Demashoota! Powerpuff Girls Z)

(Translation ^^)

Let me tell you
Don't think it's ridiculous when you hear it
The greatest tale of this world

Why is the sky blue
And the trees green?
The sunshine is so dazzling

That is most certainly
Difficult to put into words
They're not even necessary
Because it can't be felt by hand

Now, without wishes things won't happen
Because dreams
Are only passing dreams
Rather than ideals
Which are quickly sought
There are more things
That we have always wanted

You want to cry
You mustn't cry
If you're crying
Wipe away the tears
Because isn't your pretty
Smiling face the best?
But, let me tell you everything!
