0 - The Charmander

Charmander: *walking around in Treasure Town* I hope some pretty girl will show up. Maybe even a Chikorita or a Skitty!

Bulbasaur: Jon, I heard there's a cute Mudkip at Wigglytuff's Guild.

Jon: Ah, thanks for telling.

Bulbasaur: Ah, I gotta go. See ya, Jon! *runs off*

Jon: Bye, dude!

Mudkip: *dashes by*

Jon: Is that... the Mudkip?

Sunflora: *running by* Rachael-chan! Don't forget about your drama class!

Jon: So... the Mudkip's Rachael? I'd better drop by the guild in a while.

Azurill: *walking by* Marill-Onii-chan, can we play with the fishies?

Marill: *walking with Azurill* I guess so! After all, you helped mom get better!

Azurill: I bet mommy's happy, Onii-chan.

Marill: *smiles*

Jon: Oh, excuse me, you know anyone named Rachael?

Azurill: Yeah. She and her partner Rae got our Water Float back!

Jon: That's nice of her!

Rachael: *screaming/crying*

Marill: Ah! It's Rachael-san!

Jon: Oh, geez! Why's she upset?

Azurill: I don't know, really. She's been upset this past month.

Jon: Really?

Marill: She might have Autism, like our cousin does.

Jon: Ohhh... Okay.

Rachael: *calming down*

Marill: Come on, lil' bro!

Azurill: Alright, Onii-chan!

Azurill and Marill walk away

Jon: Really. I'll go to the guild later to see Rachael. *walks towards a beach*

1 - Drama Class

(Note: This chapter is a parody of Lilo & Stitch.)

There is a little Mudkip, Rachael, looking at the sea, and she's standing in the shore.

Rachael: Oh, crap... *starts to run back*

Meanwhile, 5 Pokémon, an Ivysaur, a Raichu, an Azumarill, an Espeon, and an Umbreon, were getting ready to act out a skit.

Back to Rachael, who is grabbing her messenger bag and Violet Bow. She runs past many people, and tries to get on a purple veil.

Squirtle: Ah! Let me help! *helps Rachael put on the veil*

Rachael: Thanks! *smiles, and runs off*

Meanwhile, the 5 Pokémon were acting out the skit. Five smaller Pokémon, a Piplup, a Pichu, a Cyndaquil, a Plusle, and a Minun, were waiting to come into the skit.

Flygon: Alright, girls, time for your appearance!

The 5 girls: *walk out, wearing their veils*

Flygon: One, two, three, four, five... oh, no. *facepalm*

Rachael: *still running to the drama school* Gotta eff-ing hurry!

--3 minutes later--

Rachael: *goes in, using the back door*

Everyone: *doesn't notice the Mudkip*

Rachael: *finishes the song and the skit with the others*

All younger girls: THE SIX OF US ARE--

Kayla (Pichu): *slips in a puddle Rachael had left because she didn't dry off* Whoa!!

The other girls: *slipping in puddles*

Flygon: Stop... stop. Rachael, why are you wet?

Rachael: Flygon-sensei, it's the Day of Water.

Kayla and the others: *looking at each other with 'WTF' faces*

Cassie (Piplup): You're just a retard.

Rachael: *glowers at Cassie*

Cassie: Besides, you act funny, and you always wave your left hand a lot. Irritating!

Rachael: *attacks Cassie, as the other girls scream in terror*

Flygon: Girls! Calm down!! *grabs Rachael, who has tears flowing down her face* Rachael...

Rachael: I'm sorry! *sniff* I promise not to do that again!

Flygon: I'd better call Chatot...

Rachael: No! I'll be good! I promise...

Cassie: Sensei, she bit me!

Girls: Eww!!

Flygon: *facepalm*

2 - Trouble

--At 3:30...--

Cassie and the others: *squealing happily, and running out of the class*

Flygon: Rachael, I spoke to Chatot. He said for you to wait here.

Rachael: *nods*

Flygon: *turns around, and goes back into the building*

Rachael: *sees Cassie and the others walking and having a conversation* ? *follows them*

Cassie: Does this look infected?

Jessica (Minun): Yeah...

Rachael: Hey...

Cassie: You BETTER not have rabies.

Kayla: If you have rabies, the doctor will have to--

Rachael: You're going to play dolls?

Cassie and the others: *hide their dolls*

Cassie: You don't have a doll.

Rachael: *gets her Manaphy doll out of her bag* Manaphy!

Cassie: Oh, gawd!

Rachael: I made him, but his head's a little big. So I pretended he had a big brain, and he...

Cassie and her friends are gone

Rachael: *cries a little, and walks away*

--meanwhile--

Chatot: Eh? Rachael's not here... SQUAWK!! Did she go back to the guild?

--later...--

Rachael: *in her room, with a radio near her bed*

Chatot: Rach! Can I come in?!

Rachael: Go away...

Chatot: The Guildmaster's going to be checking on you later!

Rachael: Leave me alone to DIE.

Chatot: This is about that damn Piplup again, isn't it?

Rachael: *turns the radio up*

Chatot: *facepalm*

Loudred: Need me to help?

Chatot: No... I can handle this child.

Rachael: *lipsyncs to the song on the radio*

Chatot: I swear I might-- *sees the Guildmaster* Oh!! H-Hey!!

Wigglytuff (Guildmaster): Is the girl okay?

Chatot: She's alright, I think...

Wigglytuff: Yom..... TAH!!

radio turns off

Rachael: What the-- HEY!!

Wigglytuff: RACHAEL! YOU NEED TO SEE A SPECIAL DOCTOR?

Rachael: Oh, and find out WHY I'M AN IDIOT?!

Wigglytuff: You might have a... um...

Chatot: Disorder?

Wigglytuff: One of those. Yeah.

Rachael: Okay... *walks out of her room* Charlie The Unicorn and Dr. Octagonapus HAD A TEA PARTY. I was invited. *giggle*

Chatot and Wigglytuff: Huh?

3 - Asperger Syndrome

--a couple hours later--

Rachael: I have Asperger Syndrome.

Other Apprentices: EH?!!

Sunflora: That's amazing! Is it like your Dimensional Scream?

Loudred: Of COURSE NOT.

Bidoof: Isn't that a disorder?

Chimecho: *nods*

Rachael: People treat me different.

Chatot: They just don't know what to say.

Chimecho: Don't worry, Rach! You're still nice!

Bidoof: Yeah... and you make people happy!

Loudred: YOU HELPED WITH SENTRY DUTY!

Rachael: Loud...

Loudred: Ah. Sorry.

Rachael: *running towards Treasure Town* Rae!! RAAAAE!!!

Jon: *hiding behind the storage place*

Rachael: *stops running, and sees something* Ah! Charmander! Charmander!! *waves left hand*

Jon: You alright?

Rachael: Y-Yeah... why?

Jon: Well, you're waving your left hand.

Rachael: It's part of my disorder...

Jon: I had the same problem when I was a kid!

Rachael: Orly?!

Jon: Yeah rly!

Rachael: Let's go on an exploration.

Jon: Okay. I will.

Diglett: It's Chimchar's footprint!

door opens

Chimchar: Yay~! *goes into the Guild, and sees everyone talking about Rachael* Um... hi?

Chatot: *sees the Chimchar* Oh, hey! I remember you being here before.

Chimchar: I'm Ellie... remember?

Chatot: Oh yeah. I remember!

Ellie: I can help...

Chatot: Go with Bidoof and find a Mudkip named Rachael! SQUAWK!

Ellie: Haha... okay!

Bidoof: Yay! :D

--At Drenched Bluff, 4F...--

Rachael: I found an Oran Berry!

Jon: This is an OREN Berry. It's a Look-Alike of an Oran Berry! *tosses the Oren Berry*

Rachael: Ohhh... who's Ellie?!!

Ellie: I'm Ellie. Nice to meet you!

Rachael: *cries*

Ellie and Jon: You okay?!

Rachael: Yeah... but Rae got selected to go on a super-important expedition with the always-popular Charizard-sama. So I've been pretty despressed lately.

Jon: She must be lucky.

Rachael: Not to me.

Ellie: But why?

Bidoof: Let's just get back to the Guild...

--at the Guild...--

Ellie: We found her... and she was talking about someone named Rae.

Chatot: Oh, yeah, the apprentice that was selected to go on that expedition...

Wigglytuff: Rachael cried like a baby then.

Rachael: We 're best friends!!

Jon: I hope Rae's alright...

6 - Rachael can be Random.

--Wigglytuff and Chatot are in the Guildmaster's Chamber, having a conversation--

Rachael and Jon walk in with a record player

Chatot: *notices the two Pokémon* What is it?

Rachael: Look.

Jon: *puts the record player down, turns it on, and puts his finger on it*

Rachael: Jon, open your mouth.

Jon: *takes his finger off the record on the player*

Chatot: WHAT THE SHINX WAS THAT FOR?

Rachael: *tears stinging her eyes*

Jon: You forgot she has sensitive hearing?

Chatot: Ah! Sorry... just don't do stupid things like that again. Alright?

Rachael: *nods, and runs to her room*

Jon: *picks up the record player, and he follows Rachael*

Chatot: OH MY GAWD... *screams*

Rachael: *playing with her Manaphy plushie*

Ellie: Hey... *lets herself in* I brought you some of my dinner.

Rachael: *still looking at her Manaphy doll* My parents died before I came here.

Ellie: You're part of a broken family?

Rachael: Yeah, if you include Andrew and Aaron, my brothers. *eats part of an apple*

Ellie: *hugs Rachael* Don't worry. I'll be with you. So will Jon and Rae.

Rachael: I guess. And we're like sisters, right?

Ellie: I guess so...

Rachael: And the Guildmaster likes me better as a "little sister" than an idiot, right?

Ellie: Of course!
