1 - 1- Introduction

(Third-Person)

"Klonoa! We're making an introduction video!" Guntz shouted as he was getting a webcam ready on a computer.

"I'm coming! I'm coming!" Klonoa replied as he ran into the room, seeing Guntz and Lolo at the computer. "What are you doing with Lolo?"

The girl turned to see Klonoa. "He was showing me how to work the webcam," she explained.

"Oh. I thought he was--"

"I wouldn't do anything immature, unlike YOU, kid!" Guntz retorted.

"I'M NOT A KID! I'M ON MY WAY TO BECOMING A HERO!"

"S-Sorry about that, Leo..."

"No prob, Lolo, they're usually like that," a new voice came in, startling the young cabbit to turn at the computer screen.

"Leorina?!"

"Long time since I've seen you, Klonoa."

"Yeah, Guntz told me you were in an Airship-Crash and that it was really hectic!"

Leorina sighed. "Yep... I won't be able to walk again until the end of the month--"

Tat then flew in front of Leorina, startling Klonoa AGAIN. "Oh, Klonoa, darling~!" she purred as she tried to look innocent, causing Lolo to get a little angry at Tat. "What's wrong, Lolo? You jealous because I'm like this?" Tat began to laugh a little.

"Tat! You stop that!" Leorina and Klonoa shouted at the same time.

The cat puppet then flew behind Leorina. "Yes..."

"Anyway, we'll have to get going because I'm getting checked on... Again," Leorina declared as she heard a door open.

"Is it my dad?" Klonoa asked.

"Nope, it isn't him. He'd have the same fur as you."

Klonoa then blushed a little as he took his hat off his head and tried to hide his face with it.

"Anyway, I'll chat with you guys later."

"See you later!" Klonoa and Lolo said.

Guntz simply did a small salute as the fourteen-year-old cabbit and the thirteen-year-old priestess waved goodbye.

"Hey, is it okay if I check my email?" Klonoa asked as he put the blue hat back on his head.

"I guess," the eighteen-year-old wolf confirmed.

And a few moments later, Klonoa encountered a strange message. And it read--

It's official, Klonoa. I found out what your future's going to be like. And if Lolo and Guntz are here, perfect! They're part of it!

And then Klonoa, Guntz, and Lolo saw every word... Klonoa and Lolo were blushing in confusion, while Guntz was freaking out and trying to find some Pocky for the two teens.

Yes, that email must of had many spelling errors, which makes some people angry... Even me. Hey, I broke the fourth wall! YES!

Klonoa then looked at Guntz. "What are you freaking out for?"

"IT HAD SO MANY ERRORS THAT I WANNA THROW POCKY AT THE COMPUTER!" Guntz screamed.

"You don't have to do that, you know... It just wastes it..."

2 - 30: Under The Rain

30- Under the Rain

(Klonoa's POV, May 7th, 2021)

*I'm singin' in the rain
Just singin' in the rain
What a glorious feelin'
I'm happy again.
I'm laughing at clouds
So dark up above
The sun's in my heart
And I'm ready for love.*

Even though it was morning, it was still raining ever since last night before Sunny was born. I'm now outside in the rain holding Sunny-chan, who was smiling and trying to touch the raindrops that were tickling her face.

"You like it?" I simply asked her.

She then looked at me for a quick second and then at the raindrops falling again as one fell right between her eyes, causing her to flinch. I then chuckled a tiny bit, but then she started crying.

*Let the stormy clouds chase
Everyone from the place
Come on with the rain
I've a smile on my face.
I walk down the lane
With a happy refrain
just singin'
singin' in the rain.*

She then calmed down after hearing me sing as she closed her eyes and fell asleep. Lolo then came outside with an umbrella, walking over to us.

"Oh, she fell asleep?" she questioned.

"Yeah. I can't believe I got her to fall asleep that quickly," I then mumbled as I slowly handed Sunny to Lolo.

The newborn was trying to curl up in Lolo's arms, getting herself comfortable enough to rest for a while. Lolo then looked at Sunny and smiled as she then walked inside as I slowly followed them.

Dancin' in the rain...

I'm happy again...

I'm singin' and dancin' in the rain...

The sky finally cleared as I turned and saw the unthinkable-- A double rainbow.

(the lyrics in italic mean Klonoa's singing.... And he most likely sings pretty well when he was older :D)

3 - 14: Smile

14- Smile

Well, my sixteenth birthday's coming soon, so my mom told me to get my ears pierced. Leorina already had hers pierced when she became a Sky Pirate, but Priestesses have to get them when they're sixteen if they WANT pierced ears. But I chose to and so that's what I'm doing. Luckily, mom said Klonoa-san could tag along if he wanted, so that's a relief.

"So why are we walking again?" Klonoa asked me.

"Saving energy for a Summer project the homeroom teacher gave us. That's why we're walking," I answered as I then saw Reicheru and Jon making out, causing me to blush a little.

"Oh yeah. It's actually nice! Feels *good!*"

Aaand then we reached the mall. After the ear piercing, I could ask him if we could go to GameStop. Perfect!

~*~

"Don't worry, you'll be alright! I'll be here if you need me, Lo."

"Alright then."

I then saw someone very familiar as she told me, "Now just sit down and don't flinch, darling!"

I then closed my eyes and then felt someone grab my hand. I could tell it was Klonoa who was holding my hand, but why?

prick. I felt a small pain in my right ear, but I just kept calm. It only hurts a little, sorta like a shot from when I went to the doctor when I was little.

"Don't worry, I'm okay," I said as I smiled.

"Good, Lo," I heard Klonoa say to me.

I then felt my other ear sting as well, and I was still calm. *I've improved so much,* I thought to myself.

"What color--"

"Pink!" I then stopped, opened my eyes, and looked at the woman. "S-Sorry if I interrupted..."

"Oh, it's fine, it actually happens alot," she tells me as she's trying to find small, pink earrings. "Oh, I

found a pair!" As she picked them up, they started sparkling.

~*~

"Hey, since you finally got your ears pierced, how about we get something to eat?"

"Alright then!"

I then noticed his fangs sparkle a little as he smiled.

"Klonoa, your teeth.."

"Is something stuck in them?"

"No, they sparkled!"

"Oh! I'll let Jon know soon!"

"Alright!"

And we then got some pocky and shared it with Reicheru and Jon. And it was the greatest conversation ever. And they even made out for a while, and it was okay with us!
