Scout Troopers(on there speeder bikes): \*drops there thermal detonators\*

Gibson: Thermal Detonators!!! They're gonna blow!!!

(the team scatters before the detonators blew up)

Scout Trooper: Rats!

Antauri: Monkey mind scream!

9 Storm Troopers: \*gets paralyzed then gets killed by Gibson and Otto\*

Scout Troopers: \*gets off there speeder bikes but before they get a chance to fire they get killed by one of Otto boom-a-rang saws(which does exist in the TV series)\*

Otto: That's the last of them.

Scout Trooper: \*gets up with his hand over his injured gut\* you may have defeated us Troopers but you'll never defeat our new and improved Dark Troopers. \*starts walking away weakly to find shelter\*

Chiro: What does he mean by that?

(then all of a sudden Dark Troopers came by loaded with laster rifles, seeker missiles, assault cannons, and various others)

Otto: Looks like we're gonna get our hands full with this.

## 2 - Dark Troopers

Phase I Dark Trooper: Prepare to die humans. \*gets shot\*

Phase II Dark Trooper: Uh oh.

Chiro: Take that you ugly robot.

Phase I, II, III Dark Troopers: \*fire there blast cannons\*

Gibson: \*spins around and around in the air going through the Dark Troopers but the phase III dark troopers\*

Phase III Dark Trooper: \*grabs Gibson's arm and raises him up\* Your drills are no match for our armor puny monkey.

Gibson: \*sticks one of his drills to the phase III dark trooper and activates the self destruct in his drill then escapes\*

Phase III Dark Trooper: Uh oh.

(Boom!)

A weak Dark Trooper: bring in...bzzz....the.....phase IIII.....Dark Trooper..... \*shuts down\*

Phase IIII Dark Trooper: \*detaches from his landing craft\*

Chiro: Gibson, what's the stats on that Dark Trooper?

Gibson: It's armor is too strong to be blown up and his firepower is strong enough to wipe out an entire building.

Phase IIII Dark Trooper: Mission objective: destroy this city.

Otto: I got him! \*jumps in the air for an air attack\*

Phase IIII Dark Trooper: Worthless monkey. \*grabs Otto by the neck\*

Otto: \*tries to slice the Dark Trooper with his saws\*

Phase IIII Dark Trooper: Silly monkey your weapons can not harm me. \*starts choking Otto\*

Chiro: Chiro-spear-o!

Phase III Dark Trooper: what the heck was that? Lighting bolts? I'm the Phase III Dark Trooper I'm gonna hit you with your own monkey! \*throws Otto at Chiro\* I'm bad. I'm the baddest Trooper in the world.

Chiro: Now how are we gonna defeat it?

### 3 - AT-ST & TIE Bombers

Chiro: \*orders the Super Robot to launch the moon buggy to shield themselves from Phase III Dark Trooper's attacks\*

Phase III Dark Trooper: Do you think you are safe in there? \*Lifts up the moon buggy then starts crushing it till the Super Robot crushes the Phase III Dark Trooper\* Ow!

Chiro: Good work Jinmay!

Jinmay: \*gives a thumbs up\*

General Veers: Deploy AT-STs and prepare the TIE bombers for battle.

AT-ST: \*fires at Shugazoom City's buildings\*

Super Robot: \*fires rockets at the AT-STs\*

Imperial Officer(Land): Deploy Bombers now!

TIE Bombers: \*uses bombing run on the Super Robot\*

Imperial Officer(Land): Bombers, reload and prepare for another run. One more oughta finish them off.

Gibson: \*pilots Fist Rocket 4 to take down those TIE Bombers\* Where's Sprx when you need him?

(See Chiro's lucky day chapter 3 to find out)

Antuari: \*pilots the Brian Scrambler Pilot 2\*

TIE pilot: Prepare to fire on my mark.

TIE pilot 2: Roger.

Gibson: Antauri, we got unwanted company.

TIE Fighter: \*misses a few shots but hits Fist Rocket 4's engines\*

TIE Pilot 2: \*locks on Gibson's Fist Rocket 4\* I have you now. \*fires but the other TIE Fighter gets hit\* What?!

TIE pilot 3: \*looks down and sees that Chiro's Torso Tank Driver 1 is helping Antauri and Gibson\*

Chiro: Bullseye. \*hits some more TIE fighters\*

General Veers: Hmm.....seems to me that we need the big guns. Send in the AT-ATs.
