A sad poem. Just came to me when talking about a bad experience. The only bit that isn't related to that is the bit where she kills herself O_o

1 - Poem

I sobbed as another

Dark salty tear

Slid down my cheek

Showed all my fear

Everyone looked

Everyone stared

I shouldn't have ran

Shown that I was scared

I should have just stood there

Looked them hard in the eye

Looked like I didn't care

Even if it meant living a lie

So now they'll know

The fresh hell they caused me

As I plunge the knife into my heart

I think to myself; now they'll know
