# 1 - What Happend?

nothing now is worth anything  
besides the long faded smile on her face.  
i threw away my life after we went our diffrent ways.

Now I'm alone on a curb far away  
from any one I knew.  
with my head low & my eyes have heartedly stare at passers by while i still think about you.

I remeber the good old days  
when a kiss on the cheek from her ment the day went great when looking into you deep eyes & getting a hug ment everything would be ok.

I wonder what i did to get her  
but i wounder more about what i did to lose her
