*I just took Blink-182s song "Stay together for the kids" and replaced the lyrics. I like it. When I wrote it, it just came out, like I had no choice. And just in case your curious, its about a guy I like, thats also my friend.*

# 1 - Untitled

Tell me this is real  
Tell me all of what I feel -to the rhythm of "Stay Together For The Kids"  
The water down inside me has settled once again

I know it can't be true  
I know ill never be with you  
I'd rather die alone than live this fantasy

So here's my heart to hold  
Inside I give everything I have  
All inside  
Show your heart and ill never let you fall  
So when I'm dead and gone you'll know how I felt  
It's not right

The tune plays in my head  
Of all the things I could have said  
No matter what I do my mind wont let you go

So how'd I end up here?  
Brought to my knees from all the fear  
Of what could and won't be I just want this to end

So here's my heart to hold  
Inside I give everything I have  
All inside  
Show your heart and ill never let you fall  
So when I'm dead and gone you'll know how I felt  
It's not right

The way you look at me  
Makes me feel especially  
Happy and for once not so alone

If I could dig a hole  
Deep inside your soul  
Could find all the answers and kill this misery
