Chapter 1 - Uchiha

2

1 - Uchiha

Coming home late at night,
I feel a sudden sense of fright,
Darkness covered the land,
As I noticed not one hand,

Running down the street,
Bodies flood as to show a retreat,
Tears pouring out of my eyes,
As I wonder if my family is alright,

Upon home, I check each door,
Suddenly, I hear a thump on the floor,
I ran to my parent's bedroom to check the commotion,
My hand reached the door but no function,

Once I managed to open the scene,
My eyes filled with sudden water streams,
My parents' bodies covered with blood,
All I could do was hover above,

My brother appeared out of the darkness,
I asked him what led to this,
He threw his shuriken at my arm,
As if this was much alarm,

I got the picture as I ran out,
My brother was the one who killed us at the start,
He showed up in front of me,
As he taught me to detest him as I see,

My heart felt darkened after that night,
The hospital room opened to my sight,
The nurses talked out of my dorm,
The Sole Survivor was born,

To this day I strive for my dream,
Vengeance runs through my bloodstream,
My older brother must die,
Sasuke Uchiha is I.
