He said as he started to walk away."Be careful Yuki..."She said as she headed for the check out counters.Yuki was in the medicine isle now.He was walking and looking at the Medicine at the same time,Ho he didn't see a figure walk down the same isle.He didn't notice anyone was there until..."Yuki?What are you doing here..."yuki stoped dead in his tracks.He slowly turned around and Saw Akito."A-akito..."He stutterd."Isn't Miss Honda with you...Are did you scare her off." Akito said with an evil smirk on his face."Beacause Yuki,she will do it one day.... You'll disgust her so much,She'll want to run away.Just like Yori."At the mention of the name yuki's face was in frozen fear."Yuki,Are you okay?youv'e been down he-"Tohru was was walking towards yuki when she stoped at the site of Akito."Oh,Hello miss Honda....How have you been?"Akito glanced at Tohru than started to walk towards her.Yuki stood in front of akito and blocked him from tohru."Leave her alone....I won't let you do the same thing you did to yori."Yuki wisperd."Oh,But yuki...i didn't do it... YOU did."And with that akito turned around and left. Yuki was hurt.Mentally of what Akito said.They left in silence back towards Shigures.

End Flashback:

Ever since that encounter with Akito,Yuki has been Rather Depressed.

You feel like a candle in a hurricane
Just like a picture with a broken frame
Alone and helpless
Like you've lost your fight
But you'll be alright

He moped around the house and hardly talked to any one.The only time he did was to say 'Good Mouning.'Everybody noticed,and everybody was worried.Even Kyo.With yuki acting like this,They never faught,or Dissed each other. Yuki came downstairs after waking up.He enterd the kitchen,still depressed and herd someone talking to him. "Good Mouning Yuki."A cheery voice said.Yuki didn't reply.Wich left tohru feeling hurt.shigure noticed this,and so when yuki was alone he snuck up behined him. "So,What's eating you yuki?"He said in his serius voice.Yuki didn't act startled."Akito."Yuki answerd."Ah...Would this have anything to do with Tohru?"Shigure asked,Sitting beside his depressed cousin."Some what.But there's more to it than Miss Honda."Yuki said looking down at the floor."Yori?"Shigure asked.Yuki's head shot up and his face seemed upset."I thought you were over that yuki."Shigure Said closeing his eyes and fanning himself."No Shigure.How could i ever get over it?What i did to her....It's unforgetable."Yuki sighed."You sound just like Hari....but Yuki,That wasn't entirily your fault.You know that don't you?"Shigure asked while opening one eye to observe yuki.Yuki get's up and leaves.Once he's alone again he says to himself,"No shigure,Your wrong.It Is my fault."

**Cause when push comes to shove
You taste what you're made of
You might bend, till you break
Cause its all you can take
On your knees you look up
Decide you've had enough
You get mad you get strong
Wipe your hands shake it off
Then you Stand, Then you stand**

Yuki starts to head to his room when someone steps in front of him, blocking his path. "What happened?" Yuki looked up and saw the worried face of Kyo. "What do you mean?" Yuki asked stepping back from his so-called enemy. "I mean, what happened to Tohru? She just took off running and crying about something that happened at breakfast." Kyo said as he sounded sad. Yuki's eyes got big. "And I don't know why." Kyo finished looking away. *'Because Yuki, she will do it one day.... You'll disgust her so much, she'll want to run away.'* Yuki stood up straight and asked "Where did she go?" He asked seriously. "West." Kyo said and pointed towards where the secret base is. Yuki runs off to find Tohru and kicking himself for what he did.... Again.

**Life's like a novel
With the end ripped out
The edge of a canyon
With only one way down
Take what you're given before it's gone
Start holding on, keep holding on**

He was in the woods, he started shouting. "MISS HONDA?! MISS HONDA? WHERE ARE YOU?" He kept on walking for a few minutes when he heard someone crying. He ran towards the sobbing and found Tohru crouched down crying into her hands. "Miss Honda...." Yuki said as he sat next to her and put a hand on her back. She looked up at him and cried harder. "Is it true y-yuki, do you hate me?" Tohru barely got out between sobs. "What?" He asked confused. "Akito.... On my way to work yesterday... He found me... He told me, Y-You hated me... And you w-wished that you n-never meet me." She said and cried harder. "And today.... You, you really seemed like y-you hated me. Do you want me to leave? Am I not welcome anymore?" She said and looked up to his face, only to see him crying too. "Y-Yuki..."

**Cause when push comes to shove
You taste what you're made of
You might bend, till you break
Cause its all you can take
On your knees you look up
Decide you've had enough
You get mad you get strong
Wipe your hands shake it off
Then you Stand, Then you stand**

"Miss Honda... I-I don't hate you.... I am just... afraid of what will happen." He said as he slowly stopped

crying. Tohru's tears seemed to slow down. "Of What will Happen? What do you mean?" She asked. "T-That you will run away, Because of me, Because of WHO I am. Because I... Sicken you. Just like Yori." Yuki said looking down. He felt a hand on his shoulder. "Yuki... You do not sicken me. You make me happy, I would never run away from a friend. I don't care about your Rat form. It doesn't matter.... I don't know who this 'Yori' person is, But if she would do something like that to you... then she isn't worth fretting over."

**Everytime you get up
And get back in the race
One more small piece of you
Starts to fall into place
Ooohhh**

Yuki, Looked up at her, and for once he felt... Free. He was so Happy... So happy that he hugged Tohru.... POOF.... He transformed into his 'Rat' form, But he was still hugging her, And she was hugging him. "Thank you Miss Honda, Thank You." He said as he cried. They walked home together, And lived happily ever after... Until Shigure Got the Chicken pox.....
