Only Fools Listen To Demyx.

~~~~~  
~~~

Roxas was running. Not for his life. But for his @\$\$\$. You see...He and Demyx talked earlier that day about how uptight Axel has been since his last mission and well...Only fools listen to Demyx's crazy 'Loosen Up' plans. Let it be known: Roxas is now a 'Fool'.

"Aaaaahhh!! I swear Axel! It was all Demyx's idea! I was just his pawn!" He ducked his head while running to avoid the fire ball that went sailing past his head.

Axel was starting to gain on him. No one,I mean NO ONE,wakes him up at 3:00 in the morning by dumping five gallons of cold water on him. " I'll deal with Demyx later! For now I'd rather vent my frustations out on you!" He sent another fire ball streaming at Demyx. This one hit it's mark.

"OUCH!" Roxas hit the ground rolling,trying to put out the fire that was climbing up his back. This gave Axel the time he needed to catch up to the 'Runaway Prankster'.

"Now that I have your attenion,let's see if I can't beat some sence into that empty skull of yours!" He stood up,lifting Roxas by the back of his uniform,and started walking toward a small tree stump in the back of Castle Oblivion.

"No! Wait,Axel! You know I would never do anything to hurt you! You're my best pal!" Roxas was digging his feet into the ground,trying with all his might to slow down Axel's strong striding steps. He knew fully well what would happen if Axel made it to that tree stump. He had over heard Axel talking with Xigbar about Demyx and his crazy pranks.Axel had told him that if ANYONE dared to try any of that crap on him,he'd see to it that they would have to stand at the next meeting.

Axel sat down on the stump and yanked Roxas face down over his lap,placing his left hand on Roxas's back to hold him

down. " Do you know why Xigbar has that eye patch?"

Roxas tried to turn his head to look behind him, but Axel's weight wasn't allowing that. "His eye patch? Um, he lost it during a mission?" Roxas had no idea what Xigbar's Eye Patch and what was about to happen had in common with each other, but whatever kept Axel talking and not hitting was fine with him.

Axel's voice dropped to almost a whisper, and he looked down at Roxas's tense form. " He lost his eye by giving in to one of Demyx's crazy pranks. It was all fun and games till Xigbar's gun misfired and bounced off one of the walls, hitting him in the eye. I little more to the left and he could have been killed." Axel let out a breath he didn't know he had been holding in.

Roxas was stunned. He never knew anything like that had happened. Why didn't Xigbar ever tell him? They talked all the time about the many pranks Demyx had pulled over the years! Not once did he ever say anything about HIM having partnered up for one of them! Roxas tensed up as he felt Axel's weight shift.

"And now you see Roxas. Xigbar let himself be talked in to doing something he knew could backfire, and he lost an eye. What if I had been over stressed and hadn't recognized you? I could have KILLED you!" With these last painful and angry words, Axel sent his hand crashing down on Roxas's uniformed rear end.

Roxas jolted, more from shock than from pain. Then the next swat fell, and he could feel a small stinging sensation starting to rise from his rear. After the third, and then fourth, he knew this was going to be painful.

Axel brought his hand down again, and again. And with every sharp swat a small tear leaked down from his eyes. He cared about Roxas. And was scared and disappointed in him for going along with Demyx on his plan. What if he hadn't have woken up completely? What if in his tired state he just have acted as if he was under attack? He could have set Roxas ablaze. He could have--.

Roxas was clenching his teeth as the swats continued to rain down. He couldn't help as a few tears sneaked past his tightly closed eyes and fell, either. He never ment to anger or upset Axel. He just thought he could use a little fun is all. And Demyx made it seem as though it was all ok. He never should have gone along with it. Now Demyx was probaly kicking back in his room, while here he was, getting his hide tanned by his best friend. And though his uniform remained on, it did nothing to stop the stinging that was now starting to overwhelm him.

Axel shook his head to clear away the many terrible thoughts of 'What If' that swirled through his mind, and lifted his leg to raise Roxas's rear to get at his under curves. As he brought down the first swat he heard Roxas cry out from the pain, and began to scold him with each one.

"If you ever *swat* EVER *swat* *swat* do something so stupid *swat* and childish *swat* like this again *swat* *swat* I will see to it *swat* that you never *swat* are even able to *swat* THINK *swat* of sitting down *swat* EVER *swat* again!! *swat* swat* *SWAT*

Roxas was crying for all he was worth now. He didn't care if any of the other members heard him or not. He was in pain, and heart broken, that he ever even thought of doing anything to Axel to upset him so much. " I'm sorry!!! I'm so sorry, Axel!!"

Axel stopped spanking Roxas and just sat there, rubbing his back slowly, until Roxas could stand up on his own. "I hope I never have to do that again, Roxas. But if I have to, I will. So please... Use your head more often. Got it memorised?" Axel smiled slightly as he spoke his 'Trademark Line', and Roxas couldn't help but smile in return despite the pain in his backside.

With a little help from his Best Pal, Axel, Roxas was able to get back to his room to lay down, on his belly, and collect his thoughts before the night's meeting. When Roxas got to the meeting room and stood next to his chair, rather than sitting in it, he noticed that Demyx was doing the same. Not only that, but Xigbar and Axel were exchanging knowing looks as Demyx kept his eyes aimed at the floor.

(Looks like Axel DID go after Demyx after he lead me to room.) Roxas thought. (After all. Only a fool would listen to Demyx. And Demyx listens to himself all the time. Hahah!)

Only Fools Listen To Demyx.

Part 2: Demyx Is A Fool.

~~~~~

While a certain Nobody by the name of Roxas, was getting his hide tanned by Axel. His Master is crime was watching from one of the windows of Castle Oblivion.

"Ouch! Maybe we should have gone after Xaldin instead. Oh, well. Better him than me." Demyx shrugged and walked away as the first SWAT landed on Roxas's upturned backside.

"Now what am I gonna do. I don't have a partner now, and it's so BORING here!" Demyx sighed and turned the corner of one of the many hallways, only to bump into another Organization member.

"I have a few ideas of what can be done." The other Nobody named Xigbar said while quickly grabbing Demyx by the ear.

"Ow, Ow! What the hell are you doing, Xigbar? I didn't do anything!" Demyx yelled and stumbled behind Xigbar as he led him to a nearby door.

"Didn't do anything, eh? What about that little stunt with the water and Axel?" Xigbar glared and shook Demyx by the shoulders.

"Oh, that. Um, it was just a joke? Ha-ha-ha..." Demyx smiled nervously, as he started to realize the seriousness of his situation.

"Joke or not your partner is getting what he deserves. and you're about to as well!" With those last words, Xigbar opened the door to his room and dragged Demyx's thrashing body into it. After locking the door he walked over to his bed and pulled Demyx over his lap, planting his left hand on the small of his back while doing so.

"X-Xigbar! Please, you can't DO this!" Demyx was thrashing hard now, trying to free himself from Xigbar's iron hard grip. Who knew that Xigbar had such strength?

"I'd settle down if I was you. You're going to be here for a while. And while I'm at it..." Xigbar used his other hand to flip over

Demyx's uniform and pull down his pants and boxes.

"What the hell?! H-Hey! Axel didn't do that to Roxas!" Demyx tried to pull one of his arms back, to cover his exposed rear, but Xigbar quickly grabbed and pinned with his left hand.

"Oh, yeah? Well, Axel probably did it cause he felt sorry for Roxas. But as for me..." He raised his right hand high over Demyx's backside, " I DON'T FEEL SORRY FOR YOU!"

\*Crack!\*

"Aaah!!" Demyx jerked. That hurt!! Then the next one fell. And the next. And the next.

Xigbar wasn't angry. In fact he was trying not to smile. All the pranks. All the stunts. All the disobeyed orders. And let's not forget his eye.

And now FINALLY Demyx was getting what he deserves! "Demyx. What is this spanking for?" \*Crack!\* \*Crack!\*

Demyx was starting to cry now. "W-what?" \*Crack!\* "Aaahh! F-For getting Roxas in trouble?" \*Crack!\*

"And? What else?" \*Crack!\* \*Crack!\* Xigbar wanted Demyx to let this lesson sink into that thick skull of his.

"F-For--- \*Crack!\*---Aah! For giving Roxas the idea to pour water on Axel---\*Crack!\* Aaahh!! Please stop!!" Demyx's bottom was a nice shade of light red now. And he couldn't stop from kicking out with each painful spank.

"I'm not stopping until you say everything you have done that you deserve to be spanked for." Xigbar lifted his knee and brought his hand down again, and again, on Demyx's undercurves.

Demyx was bawling like a baby now. He began to confess crimes of Pranks and Stunts, and Disobeyed Orders that Xigbar didn't even know about! And with each confession, three painful spanks landed on Demyx's undercurves.

Those crimes were, but not limited to: Putting lax in all the other Organization member's food. Panty raiding Larxene. Putting gum in Xigbar's guns last week. (which got him three extra swats) and the ever popular 'put pink hair dye in Saix's shampoo'.

After about ten minutes of this and Demyx could no longer speak properly, crying out openly, Xigbar stopped the spanking. "Well, now Demyx? What have you learned?"

Demyx had his face covered with his sleeves, as he continued to cry. "N-not t-t-to do any m-more harmful o-or childish pranks."

"That's right. Now, I'm going to go get the meeting room set up for today. I expect you to go to your room and stay there until it's time. Understood?"

Xigbar pulled up Demyx's boxes and pants while talking.

"Y-Yes, Sir." Demyx stood up and walked out the door.

Xigbar sighed. Ok. Maybe he felt a little bit sorry for the Troublemaker. But this was long since over due. After a little musing over the matter, Xigbar left his room and saw Axel walking his way.

"Hey, Xigbar." Axel said with a sad smile on his face.

"Hello, Axel. Where are you going?"

"I'm going after Demyx. He went a little bit too far this time. He could have gotten Roxas killed!" His voice cracked a little.

Xigbar put a hand on Axel's shoulder to stop him. "I know all about what happened with Roxas and Demyx. I took care of Demyx for you." He smiled.

Axel blinked at him a few times. "You spanked him? Hahahah! An @\$@ for an Eye, right?" Axel clapped a hand on Xigbar's shoulder as well.

"I guess you could say that. Don't worry. I'll let you get him next time." He started walking away, as Axel fell into step beside him.

"Next time?"

Xigbar couldn't matter to walk but raised an eyebrow at Axel. "This is Demyx we're talking about. There will ALWAYS be a next time."

Axel laughed as they turned the corner, and a figure that had remained hidden walked out from the shadows behind them. This Nobody had a X-shaped scar on his forehead and blue hair. His name was Saix.

"So, that's what all the racket was about." Saix mused to himself. Nearly all the Nobodies of Castle Oblivion had heard the cry. The lower floors heard Roxas's and the upper one's heard Demyx's. "I should bring this to the Superior's attention. We might want to add this punishment to our list of Disciplinary Procedures." And with that, he walked off toward Xemnas's office.
