Chapter 1 - The Storm of my Mind

1 - The Storm of my Mind

I write this for myself, and for you,
To spill my thoughts; channeled through
This pen as tribute to my pain,
And all the time spent worrying about you,
How YOU felt, how YOU cared,
Ignored my own and now I regret how I fared
The storm in my mind,
Now blown to my heart by means of my veins,
Oh how I stumble down these lanes,
A trail of blood stains
The cold ground on my face,
As I leave this life,
Your feelings leave my heart,
As I leave this interphase,
For life is a mere step between deaths.
