**Chapter 1 - My Heart Has Scars**

**2**

# 1 - My Heart Has Scars

My heart has Scars.

My heart has scars

Stitched up with glass

Wounds that are open

Should not be made fast

All is now fading

My scars are the past

Never forget

How long will they last

Blood runs

From my lips

And flows over me

The scars now fall open

And free me to bleed.

Nyet Maris.(Russian for no-man).

I am no more

But nor am I less

A fleeting white shadow

A half-heard cold breath

A scream in the darkness

A whisper in light

All that I am

Is fading with night

I cannot be seen

I cannot be heard

I am a shadow

An unspoken word.

Black Sun.

Rotting heart

And fiery face

All is lies

Beneath its grace

Sun of night

And moon of day

Fading quickly

Leaving me.
