# 1 - Voices That Say...

The hole in the sky  
So deep and so black  
It must be paradise on the other side  
For all those who go there never come back  
There is a promise within it  
Of new places, unknown friends, undiscovered dreams  
I gaze at that dark blot in the perfect blue sky  
After all, I was taught not to take things for what they seem  
My mind is made up  
I'm going inside  
Don't try to keep me  
I must know what's on the other side  
Within that deep darkness  
In the sky of blue  
What's that you say?  
You want to come too?  
The Weepers

O hungry shadow who devours all  
Who spares no creature, great or small  
These tears we cry,  
It drinks like rain  
It's time to die  
No light remains...  
Yet then the Weepers, they stood and cried  
They shared compassion for all that dies  
The tears they cried,  
The shining stars  
They drove him back, who knows how far...  
The hungry shadow, bloated and black  
They say that someday, it will come back  
So sleep and dream now, of what to come  
Before it's your turn, hear the shadow's thrum

Hello Little One  
Hello little one, what are you dreaming today?  
Of people and places that don't exist?  
Of a man that all girls want to kiss?  
Tell me, what do you dream?

Of places where nobody can hear you scream?

Or of some friends you've never seen?

Tell me, oh tell me

Of what do you dream?
