Chapter 1 - Always Waiting

2

1 - Always Waiting

Always Waiting

As I stand in the shadows while you sleep

I want to speak of the truth eating inside of me

I'm afraid the answer may make me weep

Cutting through my sole, stabbing my heart

As we grow further and further apart

I love you so, but I can not let you know

Always Waiting

As days pass by and months come along

Deep down it hurts, for I've been waiting so long

To tell you how I feel, that I love you for real

Falling to pieces, torn apart, drowning in feelings

Deep inside of my heart

Always Waiting

Stuck hiding in the shadows where it's so dark

Taking a knife wanting to stab my heart

Falling in tears, just as I have feared

The knife dropped to the grown, not wanting to be found

Once again love has saved my sin

Will I do this again?

Or will it be the end?

Will love save me again?

Always Waiting
