Chapter 1 - Running Through The Forest **2**

Chapter 2 - Ninja Academy **3**

1 - Running Through The Forest

"Sasuke, Where are we? We've been walking for days!" Eva yelled.

"I don't know, just as long as we're away from Itachi!" Sasuke said.

It had been two days since the Uchiha Clan was murdered by Eva and Sasuke's brother, Itachi Uchiha. They had ran away from the village to hide from Itachi, but they got lost in the forest. Just as they thought they were out of the forest they felt as if they were being watched.

2 - Ninja Academy

It's the first day of school at ninja academy and everyone had heard about the murder of the Uchiha Clan, with only 3 survivors...Eva...Sasuke...and the infamous Itachi. Eva and Sasuke walked through the hall and suddenly some one stopped them. It was the annoying Naruto.

"What are YOU 2 doing here?"

"What? Suddenly we can't go to school just because our family was killed?" Eva asked.

"Yeah who are you to come up to us and talk to us like that?" Sasuke yelled.

Naruto stomped away, mad as ever. So Eva and Sasuke walked to class with out anymore interruptions. In class, the students were put into teams of four. When 6 teams had already been grouped together it was finally there turn to be called. "Eva, Sasuke, Naruto, and Sakura...you are team 7." Iruka announced. Eva and Sasuke were happy that they were on the same team, but they hated the fact that they would be brought down by Naruto.

The teaming up was for the chunin exams.

"Your first exam is a written test where you can absolutley not cheat!" Iruka told them.
