Chapter 1 - Dreams

2

1 - Dreams

What are dreams?
Are they our wants?
Our hopes?
Our desires?
Or are they just visions?
Visions of our past lives.
Our future lives.
Or maybe our dreams are when we wake up.
Maybe life is a dream.
A twisted dream of pain, sorrow, and emotion.
Maybe our dreams are how life is supposed to be.
Maybe the world was supposed to be a peaceful place.
A place where dreams come true.
Maybe were sleeping right now.
Maybe youâ€™re not awake.
So what are you waiting for?
Go to bed.
Wake up to a world without pain and desire.
Wake up to a world where dreams come true.
Where thereâ€™s no pain, no suffering.
Where youâ€™re free.
Go be free.
Go awaken your soul and be free.
