These are some quick and easy steps on how to annoy that person in the stall next to you in public bathrooms. I got this idea from someone on another website, but all of these steps are written by ME!

1 - HOW TO!

- 1) Start humming or singing the theme to a corny TV show REALLY loud
- 2) Knock on the little wall separating you from that other person and ask them if you can borrow a toilet liner
- 3) Every time you hear some sort of bodily function, break out clapping and cheering
- 4) While someone is already in the stall, [while there are other empty ones] pace back and forth in the as if waiting for that person to come out
- 5) Stick your hand underneath the stall next to yours and ask the person for a high five
- 6) Drum a well-known song over and over really loud, stop after 30 seconds, then say, "Come on, guys! Join me!" and keep playing
- 7) Stick your hand under the stall next to yours and ask to borrow a pen. Then walk out, showing the person the smiley face you just drew on your stomach.
- 8) Draw a smiley face on your hand and stick it underneath the stall next to yours. Then say, "He can see you!"
- 9) Go into the stall and make disgruntled grunting sounds, flush, then walk out singing the Dora song: "We did it! We did it! We did it oh yeah!"
