Polly's Spying Mission Goes Awry In A Good Way^^

Polly was on a spying mission to see if Big Cheese was up to anything.

He had previously hinted to Big Al something Big might go down.

So he sent Polly on the mission cause the other cats were on vacation.

And he figured she could handle whatever it was Big Cheese might be planning.

She was sneaking around the Big Cheese's area of the palace.

And she was caught by Big Cheese himself.

He held her in his arms and wrapped one foot around her foot.

She could not get away. She wondered what he would do to her.

Would he break her neck or worse what could be worse than that.

She soon found out what was to become of her but it was not worse but better.

He kissed her with a tongue-in-cheek way which made her blush.

After that kiss she said "I never expected a mission to result in a French kiss from you."

He said "Well when I told Big Al something big might go down.

I kind of hoped it would be you sent alone cause I have something I have to tell you.

"What is it Big Cheese?"

"I love you Polly that kind of thing is pretty big don't ya think."

I love you too Big Cheese I just did not know if you felt the same so yes that is pretty big"

"I am so glad you feel the same way Polly will you marry me I want to give up being a villain and join up with The Pizza Cats."

Plus I will disband my evil crew and if they should ever cause trouble I will help to stop them if you will have me that is?"

"Yes Big Cheese I Will Marry you and that is Pretty Big

I just hope the others will think this kind of big is good."

So They let Big Al And The Cats know what was to be

and Big Cheese Disbanded his crew They grumbled a Bit Muttered ya think ya know a Guy.

and went back to the Ninja Crow Dojo.

Big Cheese and Polly got married later that year

and on The Wedding night Polly found out One Of The reasons

He is called Big Cheese If Ya Know What I Mean.

The End
