How To Rope A Dope Or Not^^

Guido And Speedy Bet Polly could not capture Big Cheese On Her own.

She said "ya'd think that wouldn't ya but i can capture him with or without this rope."

"Prove it!" they said.

"Okay i will!"

So she had accepted it and was on her way with a rope to tie him up.

Speedy said "so do you think she could do it?"

"Not a chance Guido replied lets go after her in case he captures her.

"yeh so we can rescue her then we will prove that she can't do what she said she could" Speedy said.

Guido said "But let's wait a bit and arrive in the nick of time."

Speedy replied "yeh no hurry I'm sure it will take a while for her to attempt a capture of Big Cheese."

Polly arrived at Big Cheese's place and used stealth and precision to get inside

Actually the door was open so she just walked in and went up to Big Cheese's room.

she knocked on the door then hid above the door way.

He came out and said " hello hmm I thought I heard a knock."

Polly jumped down and tied him up.

He yelled "what is this" and noticed Polly tying him up.

He blushed a bit cuse she was in a red dress with her hair down.

Last time he saw her out of uniform was in the past when she was in disguise

and before that he was in disguise and she was out of uniform.

But her hair was now longer than before.

And he blurted out that he was very attracted to her.

When he realized what he said he blushed beet red.

Now Polly blushed and realized she was going about this the wrong way.

So she started to untie him.

"Er Polly asked what that was about?

And I thought you thought I was ugly."

"I did not mean it i was just using a juvenile ploy

Cuse I knew you'd never like me."

I mean that was no reason to tie me up.

I don't mind having you close to me but that is a bit extreme don't ya think.

Polly blushed and threw the rope away.

she said "I just tried to capture you cuse Speedy and Guido bet I couldn't.

But I was not aware that you liked me.

So I guess I should just forget about capturing you

Cuse I like you too."

"Well you have captured my heart.

I just did not know I captured yours as well.

Please forgive me for my rudeness in the past.

"It's okay i will forgive you for that if you forgive me for tying you up."

"I don't know I'll have to think about it" he smirked.

She purred, smirked, and put her hand around his face and pulled him toward her and kissed him.

He did not expect that kind of response to his joking.

So he blushed again and kissed her back.

Polly wrapped her arms around and and so did he.

Then Polly flung himself and herself onto his bed.

The Next thing they knew they were out of their clothes and making love.

Just as they finished and were back to kissing again.

Guido and Speedy came flying threw the window

And they gasped at the sight before them.

Big Cheese and Polly blushed and covered up.

Speedy and Guido said "when we said to capture him we did not mean like this."

"Forget about that and the bet's off cuse I love him"

"And I love her too.

So she did capture me in a sense she captured my heart and the rest of me followed".

She said "Now please leave us be okay."

"he said Yes please do leave now

and come back to our eventual wedding."

"A wedding what?

You've got to be kidding us like she'd marry a villain."

"Oh Seymour is that a proposal?"

"yes it is i hope you accept it."

"how I can I refuse of course I will"

"And I will become good for you.

I mean there's no sense in marrying someone
and constantly fighting with them and their friends."

That sounds nice so it's settled we will get married later in the year.

"We can't believe our ears and eyes!

Please tell me this is a dream!"

He said "sorry fellas this is no dream but for me it's a dream come true.

"They sighed and said oh well guess this is the opposite attraction we keep hearing about."

"So it seems" the fox and cat replied with a smirk.

Okay Polly i guess we can't say who you can fall for.

We accept it to they said light-heartily.

"Well that is good cuse i accepted it already!

now can we have some privacy please!"

"Okay we're leaving now bye for now guys."

Speedy said when they were walking back to the pizza place.

"Sheesh whoda thought she'd choose someone who she she was ugly."

Guido said "Well he obviously didn't mean it from what we witnessed."

They finally were over the incident and at the wedding of Big Cheese and Polly.

And they said to each other as the two up in front of them kissed.

"She could have roped the dope with a rope.

But she found a way to rope him in without it."

The End
