Hooded Claw's Inner Turmoil Regarding Penelope Pitstop

Same Old Same Old The Hooded Claw was nearing in on his Prey Penelope Pitstop he grabbed her But she once she was in his grasp he noticed she was wearing a slightly altered top without a scarf so he now was letting go and staring at her

Penelope decided to use this as her advantage and started to seduce the Claw

she put one hand to her side and one hand on her cape instead of both hands sort of teasing the Claw a bit into thinking she was just being a little friendly

he put his hands to his side not knowing what to do
then Penelope Put her leg up against his body making him blush a lot.

He was at a loss this never happened with her before did she want him?

Did he want her he started to feel like he did when his inner-self times two tried to advice him

The more Evil side with red Horns and his trade mark outfit said come on she so wants you ,kiss her then she where it goes from there hopefully your bedroom if things go well.

The more Angelic Claw with wings and halo plus his trademark outfit said yeh what he said.
The Evil one said hey I'm supposed to be the more bad one.

The somewhat good Claw said what can I say she's hot.

The Claw decided to go through with it to see what it would lead too.

He swooped her up in his arms and held her closer to him and kissed her

Penelope Was a bit surprised and blushed a bit but started kissing him back

which he took as a sign that she was digging it.

So he carried her off to one of his hideouts that was near by one with a bedroom and one thing lead to another.

Afterwards when they were cuddling the two other little Claw's disappeared from his mind since he figured he could think more for himself and that decision lead to a marriage with Himself/Hooded/Claw/Sylvester Sneekly and Penelope Pitstop

and later on with Kids and this all started with a bit of Closeness between him and Penelope no longer

his Prey except in the bedroom.

the End.
