16 hours past as the first baby was born.

Heather- Well here comes the next! *grabbing Alex's hand as he hands babys to nurse*

Alex- I think the husband gets hurt more than the wife during labor!!!

An hour past as the next baby came out.

Doc- Its a girl!!!!

Heather- Alex you raise the boy and I'll raise the girl.

Alex- Well the boys name is Leo.

Heather- Roseanna.

Doc- Well we have Leo and Roseanna Lovely.

Heather passed out from extreme exhaustion. Two days later Alex and Heather brought Leo and Roseanna home. Where they had the whole house to explore and play in.

3 - Divorce, Pegasus, And Now This

Years after years past. It was two monthes after the twin's b-day. They turned 10 then when Heather and Alex had got a divorce. It left the twins struk in pain and depression. Roseanna and Alex went to live with Palyda. Leo was living with his mom Heather.

Leo- WHY MOM WHY?!?!?!?!?!?!?!?!

Heather- Leo stop yelling! WE have our reasons why we got a divorce. Wait until your older then you will know.

Leo- I hate you'!!!!!!!!!!

With his last words he ran outside slamming the door. When he was outside he went into the woods. Unaware of what he would find. He found a stump that was cut down. So he sat on it and thought. Thinking of why his parents would divorce. Until a hornless pegasus came up from behind a bunch of trees.

Leo- What the hell man.

Pegasus- *neighs* Leo dont worry about your parents. Think your sister got the worsed part of it.

Leo- How?

Pegasus- Your such small talk. Yet she had to leave her mom and her friends.

Leo- Your right. Wait! Am I dreaming?

Pegasus- No Leo this is real. Your mom knew this day would come though. so did your dad.

Leo- What do you mean?

Pegasus- Leo yuor Tuxedo Mini Mask. You know how your friends transform. Well you can to. Just a little different. Your sister can to. Shes Sailor Earth though.

Leo- Your kidding?

Pegasus- No Leo I'm not. Heres your transformation thingy though.

A mask with feathers at the end came out of no where and floated into his hands.

4 - Tuxedo Mini Mask And Jewel

Moments of silence past in a short amount of time as Leo finally spoke.

Leo- Whats this mask thingy?

Pegasus- Its what can make you transform Leo.

Leo- Into Tuxedo Mini Mask?

Pegasus- Yes and also have control over me. When your in that form though. Were partners Leo.

Leo- Partners.

He started to gaze into it really deeply.

Pegasus- You can call me when transformed and I'll be there.

Leo- Hey since your not a pegasus and your a winged horse can I just call you.uhhhhhhhhh.....ummmmmm..... i dont know what do you want to be called?

Winged horse- I was called Jewel by everyone that knew me. So how bout it?

Leo- Jewel sounds alright. First off though.

Jewel- Yes master?

Leo- First dont call my master. Second why am I choosen to be Tuxedo Mini Mask? Also what do I do?

Jewel- Well you help the sailor scouts of your genaration. Also the reason your were choosen is because of your heart.

Leo- My heart?

Jewel- Yes your heart. Now say Mask Power.

Leo- Why?

Jewel- Its how you transform.

Leo- Ok. MASK POWER!

The mask went to his face and feathers and fletters went all around him as he was transformed into Tuxedo Mini Mask(TMM). His clothes were different though. It was a topaz armor suit with feathers

going down the back. Also all over his padding.

TMM- Wow.

Jewel- You want a ride.

TMM- Are you sure Jewel?

Jewel- Well I might as well get used to it. Also you.

TMM- Ok.

He jumped on Jewel's back as she flew off into the sky. Once above the city no one noticed them.

TMM- This is amazing Jewel!

Jewel- Well you'll see it a lot I think. It depends how much you need me.

TMM- Jewel you mind answering a question?

Jewel- No TMM. What is it?

TMM- Where do you live?

Jewel- I'll answer that in the mean time. First we need to get to know one another.

TMM- I understand ,but how do we know we know one another well?

Jewel- Your full of questions.

TMM- My mom says that. OH NO MY MOM!!

Jewel- Here I'll take you back ,but we have to make it look like you were crying the whole time.

TMM- Yeah. How do I power down?

Jewel- Say mask off.

TMM- Mask off.

He returned to normal with his clothes. Then they went at a speed just a bit behind jet speed. Once they were at the woods they met at Jewel left. After a few moments while Leo made himself cry and really did cry from pain he went home.

Heather- Are you ok honey?

Leo- Yeah ,but it still hurts.

Heather- Well go wash up. Dinner will be done soon.

Leo- Ok mom.

That night him and his mom sat at the table without a full family.

5 - Missy The Prep And The Chocolate Lovers

It was a warm sunny morning on a terrible terrible Monday. Leo had to go back to school. Luckily his best friend Rei(Leigh) was going to the same school.(yeah monday I go back to school so the story will slow down and every other story I have T_Tsorry)

Rei- Man its freakin reading class.

Leo- Well at least we have every class together.

Rei- Yeah that makes it better.

Leo- Yet Hika, Marie, Evon, Rose, and Natokiy should be at this school to make it better. Why is it there not here?

Rei- Well Hika would tear the school down so shes tought at a school that handles people like her. Evon is home school along with Natokiy since they live with each other. Which is scary seeing what those to would do. Rose is at a private school. Also Evon is going to a art instatution. Thats why?

Leo- Well were stuck together so thats what matters.

Rei- Yeah.

While they were heading to reading class Missy came walking down the hall(I have no idea why I said Missy). She was with her so called friends.

Missy- Hey its dimwit and retard.

Rei- Shut up Missy! Im not in the mood today!

Leo- Yeah and I'm not retarded! Your the freak to accualy think these people are your peeps!

Missy- Says you. Arnt I right chickas?

Girls- Yeah Missy.

With that she and her peeps left in a storm. While leaving Leo angry.

Rei- dont listen to her.

Leo- I know your just trying to ingore this Rei. You hate it to.

Rei- Yes I am. Come on lets get to class before the bell. I dont want isd and asd for torties again.

They left frustrated into class and sat there listening to the teacher blabber. Rei though got sick of it and put in her headphones ,but decided to write a note to Leo. She wrote it down and passed it to Leo.

Leo- **reading inside* Man she sucks at teaching. But anyways lets go see Jewel after school. First we need to change and get Milo though. How bout it?*

He replied to it real fast and waited for the teacher to start writing more down on the board. Then he passed it to her.

Rei- **reading inside* Yeah I agree. On both things. But im still mad at Missy annoying us. It drives me crazy.*

Rei put the note in her pocket and then the bell rang and they got out of the class. Then they went to their lockers and went to pe as their last class. Once there they went to the locker rooms(different ones).

Leo-**in thoughts* Man that Missy. Shes bothered me so many other times ,but this time its bothered me big time. I cant get it out of my head. Rei though must be used to it. How is it though? Its probably a tomboy thing that she has. I wonder. *now out of thoughts and listening to his friend Rick**

Rick- Man Leo your out of it. Just chill dude. Missy knows nothing about making friends. Why do you think shes acting like she is?

Leo- She doesnt have any friends. Just think why people hang around her. She acts just like them and as if she was all that. She just thinks shes perfect.

Rick- Yeah I know. It drives me crazy. **sees couch tell him to sit and he does**

Couch- Run in place!

They did their extracisises and then played dodge ball. They each were given a number. Either 1, 2, or 3. Missy was on 2 and Leo and Rei were on 3. Rick was on 1. 1 and 2 faced off and 2 won. Thn it was 2 and 3. There were four balls and Leo and Rei were acting like ball hogs. Then it came down to Missy, Leo and Rei. The reason Missy didnt get out is because no one would hit her. Also Leo and Rei were focused on hitting her with the ball in the head really hard.

Rei- Leo duck! **he does so**

Leo- You too Rei! **she does**

They had all the balls on their side and Missy was helpless. They each got two and threw them at her and hit her once on the head, three times in the back and once on her arm. She was out and crying to get attention. Then her fake friends started to curse under their breathe and the winners.

Rei- We win!

Leo- Yeah!

Rick- Congrats you two.

Some people- What were they thinking about hurting Missy.

Others- We win!

After school Leo and Rei did as they said and once they were in the woods talking with Jewel...

Jewel- Good job ya'll. *BOOOOOOOM* What was that!!!

Milo- I think you just farted.

Rei- Milo! *hits him on head*

Milo- Hey!

Leo- No it wasnt Jewel.

They saw smoke and knew it was from the city. So they transformed and TMM rode on Jewel and Crescent used Crisis power so she could fly there. Once there the others made it there before them.

Twilight- Its about time ya'll made it!*jumps from a fire blast that comes from a black horse with dark purple flames as a mane and tail. It had a dark purple flame pattern on its legs and chest going down to the stomach*

Crystal- Ya'll need to get faster! *ducks from fire*

Cosmic- Yeah ya'll are slacking!

Crescent- *holds stomach* So!

Shooting Star- DAZING STARS!!!! *hits horse on the side and knocks it on its side*

TMM- Yeah yeah. *pulls at sword and tells Jewel to go to the demon horse. Then he stabs it in the head and it comes out the other side* Well for slackers were still stronger than ever. *they power down and Jewel leaves*

Rose- Do I ever get a saying in this?

Marie- You just did.

Evon- Twilight *says annoyed*

Natokiy- Man I'm tired.

Hika- How can you be? You hardly even fought that demon horse.

After a while the two blabbers shut up and got tired.

Leo- Its about time. How do ya'll do that?

Hika- Uhhhhhhhhh..... Im to tired to think....ask Rei.

Rei- I dont think. I just know how to do it.

Hika- WAIT I HAVE TO GET HOME RIGHT NOW!!!!!! **runs really fast leaving dust behind**

Leo- Wonder where she had to go...

Rose- Home.... WAIT I GOT TO GET HOME ALSO!!!!!!!!!!!!!! **does same as Hika**

Rei- Yeah...

Leo- Hi.

Rei- You too. Bye blonde.

Leo- *yells while in a distance* Very funny Rei.

They went home and did what they had to do. Knowing tomorrow would bring trouble for both of them.
